## WASHINGTON AND LINCOLN CALLED "KNEELING MEN"

"Washington and Lincoln were kneeling men but they rose up from their knees to do the deeds of justice and duty and brotherhood which God placed before them and this each of us must do in his own place and in his own community," declared Rev. Herman G. Stuempfle Jr., at the annual Washington Birthday Dinner of the Gettysburg Chapter, DAR, Tuesday evening at 6:30 o'clock at the Hotel Gettysburg at which more than 50 members and guests were present.

In his theme, "Kneeling Men," the pastor of Christ Lutheran Church painted a word-picture of Lincoln and Washington, both men of prayer. He recalled to the women the statue of Lincoln in a kneeling attitude in the National Cathedral at Washington. "This was symbolic of Lincoln's posture and attitude during days and years of crisis," he said.

## "Driven To My Knees"

He quoted Lincoln as saying, "I have been driven many times to my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom and that of all those around me seemed insufficient for the day."

"Men and the nation need wisdom and help outside themselves if they are to be delivered from their own follies and to be able to fulfill their own destinies," he said.

The speaker pointed out how an attitude of prayer can help with the problems of contemporary life such as racial integration and international relationships.

## "Compassion For Man"

He described the "bitter winter at Valley Forge" and read a sketch of conditions by an eye-witness, a private in Washington's army, telling of the hardships, lack of clothing, illness, etc. He showed how "all this was unnecessary because of the incompetence of the Congress then in session in York." He read passages of Washington's letter to Congress in 1777 which "reveals his impatience with Congress and his compassion for his men. Out of this despair came the kneeling in prayer at Valley Forge which is so often depicted in oils."

The speaker was introduced by Mrs. H. H. Reuning, vice regent, who presided in the absence of the regent, Mrs. C. H. Hett, a patient at the Warner Hospital. Mrs. Hett sent her greetings through Mrs. Reuning.

## Introduces Guests

Mrs. Reuning introduced the following: Mrs. Kerr Lott, a charter member; Mrs. Guile W. Lefever, who will be installed as a state officer at the Continental Congress in April; Mrs. Raymond Topper, Mrs. Mark K. Eckert and Miss Alice Black, former regents; Mr. Reuning; Miss Elsie Eisenhower, chaplain of the local chapter; Mrs. George H. Thrush Jr., secretary; Miss Margaret McMillan, historian; and Mrs. James (Continued On Page 2)

## GUARD UNIT SIGNS FIVE MEN

With five enlisted men already signed for duty, the local National Guard was hopeful that before today ends it may add four more new recruits and thus fill out its full authorized strength on the annual "Muster Day" of the National Guard throughout the U. S.

Lieut. Donald Doersom, commanding officer of Howitzer Co., 2nd Bn., 104th Army Cavalry Regiment, the local guard unit, today reported to regimental headquarters the enlistment of Harry E. Forsythe, Gettysburg R. 3; Harold Wood, Fairfield R. 2; Donald F. Cool, Gettysburg R. 2; Harry L. Peters Jr., Biglerville R. 2, and Donald E. Hobbs, Fairfield R. 2.

Officials of the guard will be at the armory on W. Confederate Ave. from 8 to 8:30 o'clock this evening with the hope that two additional enlisted men and two officers can be secured before the final report is made to National Guard headquarters today.

Any college graduate, who is physically fit, and between the ages of 21 and 28 can apply for a commission in the guard, it was pointed out. One potential officer has applied so far. The guard is seeking two to fill its complement of six officers for the local unit. Two additional enlisted men are also needed to fill out the quota.

Of the five men enlisted as of this morning, four are 17-year-old high school students. One, Donald Hobbs, is an 18-year-old farmer.

## VFW TO MEET

## SHAFFER HEADS GROUP TO RAISE PROJECT FUNDS

Richard E. Shaffer was appointed local fund raising chairman for the Pennsylvania State Exchange Clubs' project at the Pennsylvania Junior Republic school for boys. He was appointed by John J. Slentz, president, at a meeting of the Exchange Club of Gettysburg Tuesday night in Banker's Restaurant.

Each year Exchange Club members donate funds for a new project at the school. In the past the State Exchange provided the school with a complete typing and commercial school, a library and recreation room, a complete sheet metal shop school, complete automobile repair shop and care school, a mod-i airplane building course and a complete woodworking school.

Slentz, in a brief talk on Brotherhood Week, said: "Children are not naturally prejudiced. A child in growing up acquires the disease of prejudice. You and I are usually the carriers of this dread disease. During Brotherhood Week, stoop over and help a child to be free from prejudice and so make this world a better place to live."

## Elect Officers Feb. 28

E. Donald Scott, Robert P. Snyder and Thomas C. Brenner, past presidents of the club, were appointed members of the nominating committee. Nomination and election of officers will be held next Tuesday evening.

Installation of officers will be combined with a ladies' night program March 27. Planning the event are: Dave Garfinkle, chairman, Donald C. Joseph, Glenn C. Musselman Jr., and A. Hilton Jr.

Following the meeting Tuesday evening the members visited The Gettysburg Times where Paul L. Roy, editor; G. Henry Roth and John Korver, reporters, and William Hemler, makeup man and compositor, conducted an operational tour of the plant.

## JUNIOR RIFLE CLUB MAY BE FORMED HERE

The possibility of forming a Junior Rifle Marksmanship club here in affiliation with the National Rifle Association was outlined Tuesday evening at a meeting of the firing squad of the local Veterans of Foreign Wars at the VFW home, E. Middle St.

Gettysburg Police Chief Jack Bartlett and M/Sgt. John DeBorde of the Army ROTC of Gettysburg College met with the firing squad to discuss the organization of such a group and report on prior young people's rifle matches held by Chief Bartlett under sponsorship of the Gettysburg Sportsmen's Association.

While ages for membership in the proposed club were not settled, the discussion indicated that the ages would be from about ten to 17.

Under National Rifle Association rules competition would be within various ranges of skill, with those qualifying as experts in competition in shoots, those qualifying as sharpshooters competing and so on through the various levels of skill. The proposed organization would provide for indoor and outdoor shooting "so that it would be a year around organization," and plans call for instruction for youngsters and parents who are unfamiliar with firearms.

M/Sgt. Aclie Marksbury and M/Sgt. Robert Jackson, of the college ROTC, who are also members of the Firing Squad, were named to work with Sgt. DeBorde and Chief Bartlett in drawing up plans for the Junior Rifle unit.

The 25 members of the Firing Squad would serve as instructors and assist in the range firing by the Junior club, according to the plans discussed Tuesday night. Parents would be invited to participate with their children.

## CWV And Auxiliary To Hold Egg Hunt

An Easter egg hunt will be held Easter Sunday by the Catholic War Veterans and the Auxiliary, it was announced Monday evening at a meeting of the women's organization in the veteran's home in Bonneauville. Each member was asked to furnish one dozen eggs for the affair to be held on the lawn of the CWV Home.

The women made plans to purchase white uniforms to be worn at the Veterans' Day Mass May 30 at St. Joseph's Church, Bonneauville. A letter of thanks was read from Father Ozo, a missionary in the Philippines, who has received boxes from the organization.

The president, Mrs. Theresa Lemmon, who presided, announced that a \$100 insurance policy has been taken out on each member of the group. The next meeting will be held Monday evening, March 19.

## Jaycees' 2nd Junior Citizen Award Given H.M. McIlhenny At Dinner Tuesday Evening

"The only hope we have for the future as far as life on this planet is concerned lies in the character and quality of our citizenship," Dr. Harry P. Baughman, Gettysburg Lutheran Theological Seminary president, said in an address Tuesday evening at the second annual Junior Citizen Award banquet of the local Junior Chamber of Commerce at the Methodist Church.

Dr. Baughman's address came after the annual award had been presented to Hugh M. McIlhenny, 17-year-old Gettysburg High School senior and son of Mr. and Mrs. Hugh C. McIlhenny, Harrisburg Rd. Presentation of the plaque was made by President John Y. Crowl of the Jaycees after he had read McIlhenny's achievement record as compiled by the judges. Dr. Lloyd C. Keefe, attorney Eugene Hartman and Henry T. Bream.

## Gets Letter From Burgess

Donald Becker, serving as master of ceremonies, said McIlhenny was the "unanimous choice" of the judges. He said the purpose of the "Junior Citizenship Award" project

## Kidnapper Is Badly Mauled In Frenzied Fight Under Glare Of Police Spotlights On Prairie

PUEBLO, Colo. (AP)—A husky gunman was captured and his beautiful kidnap victim freed unharmed early today in a frenzied fight outlined by police spotlights on a lonely prairie.

One bullet fired during the brief battle wounded both the abductor, Eugene C. Hurst, 28, and Robert A. Jackson, 28, the kidnapped woman's husband. The bullet struck Hurst's left leg and Jackson's right.

Blonde Nancy Jackson, 27-year-old mother of three, escaped without injury. She was held captive for 2 1/2 hours.

Hurst, a stocky roustabout, was taken in handcuffs and shackles to St. Mary's Hospital here under heavy guard. He suffered a mass of deep head and face cuts from a battering by Tony Fortino, one of Mrs. Jackson's rescuers.

## Beaten With Gun

Fortino, Jackson — a well-to-do auto dealer — and Police Capt. Robert Mayber leaped on Hurst even as the crew-cut kidnapper held a loaded pistol at the head of his victim.

The weapon discharged as they

grappled for it. Fortino, armed with a 22-caliber pistol, beat Hurst about the head until his weapon fell apart.

"He may go 18 holes today," said James C. Hagerty, White House press secretary, as the President arrived at Glen Arven Country Club.

It would be the first time since his illness that Eisenhower had gone a full round. Last Friday he played nine holes on his first trip to a golf course in nearly five months.

As he did last Friday, the President teamed up today with the club pro, John Walter. Their opponents were Hagerty and John Hay (Jock) Whitney, New York financier and horse enthusiast who owns a plantation home nearby.

Eisenhower is vacationing here as the guest of Secretary of the Treasury Humphrey, who also has a plantation estate.

Just before driving off the first tee, the President and Walter engaged in some friendly banter with Hagerty and Whitney over how many handicaps strokes Eisenhower ought to get.

## Art Exhibition Opens On Sunday

The Art Department of Gettysburg College will hold a joint exhibition of the paintings of Warren Rohrer and Daniel Miller beginning Sunday when a reception will be held for the artists from 2 until 6 o'clock in the art room in Christ Chapel on the campus.

The work of the artists has received "much favorable comment" throughout the east where it has been shown frequently," according to art critics.

The exhibition will continue through March 8. The department will be open Tuesday, Wednesday and Thursday and Sunday, March 4, from 2 until 5 o'clock.

## 3 COUNTIANS INDUCTED AT YORK EXERCISES

Two young Adams County women were among a contingent of 47 enlistees for the Air Force from central Pennsylvania who were inducted at a special ceremony at York Tuesday afternoon.

The two were Miss Nancy Jane Osborn, 19, daughter of Mr. and Mrs. Paul Osborn, Aspers R. D., and Miss Anna Bostwick, daughter of Mr. and Mrs. Eugene Bostwick, Fairfield R. D. Miss Osborn, daughter of a Biglerville printer and leading turkey grower, graduated from Biglerville High School last summer and was employed at Pocono Manor. Miss Bostwick is graduate of Fairfield High School last summer.

Among the 45 men who were inducted at the same time was Samuel S. Small, son of Mr. and Mrs. Stover Small, E. High St., who is a Gettysburg High School graduate.

## Fly To San Antonio

Capt. Leroy Phillips, commanding officer of Detachment 308, USAF, New Cumberland, administered the enlistment oath to the 47 at a ceremony in the York Court House. Barton Zimmerman, York detective, represented the York mayor and spoke briefly. Television and radio coverage was given the mass induction.

The recruits and some of the parents, including Mr. and Mrs. Osborn, dined afterward at the Lincoln Woods Inn and then the contingent left for Harrisburg where the two girls left by TWA and the men by armed force planes for Lackland Air Force base at San Antonio, where all will undergo basic training for the next two to three months. The groups flew to Chicago and then to Lackland. The men arrived there about 6:30 this morning and the two women about 8:30 a.m.

Only the mailing address of Miss Osborn has been received here so far. It is A/B Nancy Jane Osborn, AA8213052, 3700th Military Training Wing, Lackland AFB, San Antonio, Texas.

## IKE MAY PLAY 18 HOLES TODAY

THOMASVILLE, Ga. (AP)—Joking about his heart attack, President Eisenhower today played his second round of golf since he was stricken last September.

"He may go 18 holes today," said James C. Hagerty, White House press secretary, as the President arrived at Glen Arven Country Club.

It would be the first time since his illness that Eisenhower had gone a full round. Last Friday he played nine holes on his first trip to a golf course in nearly five months.

As he did last Friday, the President teamed up today with the club pro, John Walter. Their opponents were Hagerty and John Hay (Jock) Whitney, New York financier and horse enthusiast who owns a plantation home nearby.

## LICENSED TO MARRY

A marriage license was issued at the court house Tuesday afternoon to Richard M. Donchak, Frederick, Md., son of Mr. and Mrs. Michael R. Donchak, Windsor, Conn., and Shirley Louise Hackenberg, daughter of Mr. and Mrs. Russell S. Hackenberg, Gardners R. 2.

## BIRTH ANNOUNCEMENTS

At Carlisle Hospital Mr. and Mrs. Leroy Smith, Gardners R. 1, son, Monday.

Mr. and Mrs. Calvin Cook Jr., Gardners R. 1, daughter, Monday.

At Hanover Hospital Mr. and Mrs. Robert Nail, New Oxford R. 1, son, Tuesday.

Mr. and Mrs. Ulrich Mecke, McSherrytown, daughter, Tuesday.

Mr. and Mrs. William Groft, New Oxford, daughter, Monday.

## Jennie Wade Relics Given To Museum

Mr. and Mrs. R. Lee Hoopes, of Mt. Rainier, Md., have presented to the Jennie Wade Museum a large clock and a four-legged wooden stool both of which were at the time of the Battle here in the McClain (south) half of what is now known as the Jennie Wade House.

The clock was given to Mrs. Hoopes by Miss Susan McClain's niece after Miss McClain's death three years ago. Mrs. McClain who lived in the house at the time of the battle died in 1920. A portrait of Abraham Lincoln also was presented with the other gifts.

Jennie Wade was killed in the north half of the house which was the home of her married sister, Mrs. Georgia Wade McClellan, the morning of the third day of the battle. Her body was removed to the south side of the house through a shell hole in the upper story of the house which was enlarged for the purpose. Mrs. Wade, Mrs. McClellan and her infant son, a six-year-old brother of Jennie Wade, and another six-year-old boy named Brinkerhoff (whose son now lives in Hanover) also crawled through the home and remained in the McClain cellar until late afternoon of July 4.

The clock has been placed on the mantel in the room used by the McClains as their kitchen where it no doubt stood during the battle.

## Declares GOP Needs Women To Organize Party

"We need the women to organize and be powerful in politics before we become a complete party of defeatism," Attorney David R. Perry, of Camp Hill, declared in an address before the Adams County Council of Republican Women in the VFW home, E. Middle St. Tuesday evening. Perry is a former member of the state legislature, secretary to Governor James H. Duff, deputy state attorney general, and until recently, a member of the Pennsylvania Liquor Control Board.

Asking the women to organize Perry emphasized, "There is only one way to lick the other party and that is to organize. We are the minority party. Look at the mess we're in Harrisburg after all the feudin' and fussin'. I can't imagine grown people believing that he (Leader) could fulfill those childish promises he made. It was the kind of stuff that Hitler tried — the Big Lie, or Harry Hopkins tactics, the big handout. While we were fighting each other, we elected him to get even. We shuffled the Republican Party like a deck of cards."

## Cites "Tragic Mistakes"

"When a hen cackles too much, she's generally lying, not laying. It's nice to be able to speak in nine different languages, but it is nicer to be able to hold your tongue in any one of them. We are still paying for the tragic mistakes of Harry Hopkins and Whistle-Stop Truman. And our children will still be paying for mistakes of the governor in Harrisburg. The governor has no right to overstep his power in Harrisburg. All he can do is to tell what his program is — then it is the problem of the legislature. He is usurping his power when he says 'I will not sign that bill'."

## Believes Eisenhower

"I believe Eisenhower is the only man left who has the confidence of the American people because he's honest. He will rise above selfishness and the pettiness of party politics no matter what the party is. He is an American first and a Republican second. A society of sheep will produce a wolf and this country has seen and lived under bad leaders. But there have been certain periods in the history of this nation when the Lord chose certain men to lead the nation's destiny when chaotic problems faced us and we were faced with destruction. Washington was one—Lincoln was one and your neighbor is one. I sincerely hope that this time the Lord will grant his candidacy."

Noting the change in attitude recently in women's political groups Perry said, "The manner in which women serve their communities today is one of the amazing things of modern society. An army of volunteer women serving their community is a wonderful thing. If they were collecting a salary for their efforts they would receive three billion a year. They can change the greatest curse in the American Way of Life, that is the growing philosophy — let the government do something about it. The women are helping to set aside this belief."

## MISS HOFFMAN EXPIRES TODAY

Miss Annie M. Hoffman, 88, for 35 years a resident of Arendtsville, died this morning at 12:15 o'clock at the Kuhn Convalescent Home, New Oxford, from a complication of diseases. She had been in ill health six months and had been at the Kuhn home for the last two months.

Before living in Arendtsville she had resided in Lancaster County. She formerly was employed at the Millersville Normal School and at the Stevens Trade School in Lancaster. She did practical nursing for a number of years. She was a daughter of the late Abraham and Susan (Wert) Hoffman and was a member of the Trinity Lutheran Church of Arendtsville.

Surviving are these sisters, Mrs. Marcella Taylor and Mrs. Mamie Bosserman, both of Arendtsville; and Mrs. Benjamin Pfeiffer, Mt. Airy, Philadelphia. There are a sister-in-law, Mrs. Rosie Hoffman, Sterling, Ill., and a number of nieces and nephews.

Funeral services at the Bender Funeral Home Saturday afternoon at 2 o'clock with the Rev. Robert Shaull, her pastor, officiating. Interment in the Fairview Cemetery, Arendtsville. Friends may visit the Bender Funeral Home Friday after 7 p.m.

## FIRE TRUCK IN CRASH TUESDAY

The Abbotsstown fire truck received minor damage when it responded to a "stand by" call of the New Oxford Fire Company Tuesday afternoon.

The New Oxford company was called about 4 o'clock to extinguish a blaze at the home of Philip Aumen, Hanover R. D., near the Lincoln Speedway. There they found flames eating through a partition to the second floor. With all equipment engaged and with the possibility that the blaze inside the partition might be more extensive than firemen could tell from outside the wall, Abbotsstown was called.

Abbotsstown firemen, rounding a curve on the road to the fire, skidded on a berm and the running board of the fire truck was dented.

The fire was extinguished with damage estimated at about \$700. The blaze started, according to New Oxford company officials, in a heating duct, spread to a partition and went up through the partition into the first and second floors.

New Oxford firemen were also called to a fire Monday when the motor of an oil burner furnace at the home of Col. Ernest W. McClellan near The Pines burst into flames. Damage was mostly caused by smoke and firemen estimated the loss at \$30.

## FINED BY JUSTICE

Robert B. Duncan, 167 E. Middle St., appeared before Justice of the Peace Robert P. Snyder Tuesday morning at 1 o'clock on a charge of operating a vehicle without an operator's license brought by state police. Duncan was given until Friday to pay a \$10 fine and costs.

## AL TETI KEEPS SCORING LEAD WITH BULLETS

Al Teti, sharpshooting junior from Haddon Heights, N. J., continues to lead the Gettysburg College basketball team in scoring as the 1955-56 campaign heads into the final stretch.

Through 16 games, seven of which Gettysburg has won, Teti, a six-foot, 155-pounder, scored a total of 276 points for a 17.2 average. The spindly one-hand-jump-shooter has bucked 101 field goals in 229 attempts for a .44 shooting percentage. His 74 converted fouls in 114 tries give him a .64 mark from the free stripe.

Joe Bierly, 6-3 senior from Glen Rock, Pa., and Eob Walsack, 6-2 sophomore from Newark, N. J., are waging a spirited battle for runner-up honors to Teti in the scoring department. Each has scored 167 points for a 10.4 average. Bierly has 57 field goals in 150 attempts and 51 fouls in 79 tries while Walsack has 59 field goals in 150 attempts and 49 fouls out of 72 tries to the line.

Team captain Dick Hockenbury, 6-2 senior from Philadelphia, ranks fourth in the scoring derby with 153 points and a 9.9 average, but he has the field to himself in the rebound department. The 195-pound "workhorse" has a total of 231 rebounds for a 14.7 average. His best rebounding night came in Gettysburg's recent victory over Bucknell when he cleared the boards 27 times.

## PLAN DONKEY BASKETBALL AT FAIRFIELD

Plans for a donkey basketball game to be held at the Fairfield High School gymnasium Friday evening, March 2, were made Tuesday evening at a meeting of the Fairfield Lions Club at the Lutheran Parish House.

President Maynard Stuckey announced the team to represent the Lions in the game as Kenneth Sanders, Maynard Stuckey, Charles Lott, George Weber, Wesley Schable, Wilbur Sites, William Newman, William Schultz and Glenn Herring.

They will face a Fairfield High School faculty team comprised of Dean Lemmon, Richard Straup, Paul Sponseller, Philip Culp and Jack McAndrews.

Six new members were inducted into the Lions Tuesday by Charles Lott. The group included Dr. James Hammett, William Stonebraker, William Bigham, Glenn Herring, Carl Filsinger Jr. and Clark Spence.

Plans were announced for a public card party February 29 at the Fairfield High School cafeteria.

Six guests from the Blue Ridge Summit Lions club were introduced, C. M. Corbett, Glenn Brown, Roy Gonder, Roy Fitz, J. L. Pryor and R. M. Rudolph.

Next meeting of the Lions will be held March 6.

## WASHINGTON AND

(Continued from Page 1)

S. Schwenk, state chairman of advertising, Mrs. Homer Young, the only other charter member living, was not present.

Donald Bollinger, E. Middle St., sang "Chester" by Billings, "Enraptured I Gaze" by Hopkinson and "America My Own" by Cain. He was accompanied at the piano by Mrs. Jacob W. Heikinen.

The speakers' table was decorated with mixed spring flowers and green foliage. On each table was a single red carnation and fern.

The dinner-meeting opened with the pledge of allegiance and the singing of the national anthem. Rev. Mr. Stuepfle gave the invocation. Mrs. Reuning welcomed members and guests. Mrs. S. F. Snyder led the group in singing one stanza of "America" at the close of the dinner.

## DECLARES COP

rector and treasurer of the Pennsylvania Council of Republican Women, introduced the speaker. Mrs. Withers was introduced by her daughter, Mrs. C. H. Heidt.

Mrs. A. W. Butterfield, president of the council, stated that the number of Republican registrations has increased in the past several months. She also indicated that there are more petitions of committee members this year than in former years largely through the efforts of council women.

Mrs. James E. Schwenk and Mrs. Eugene Stetter, Aspers, were appointed chairmen of the campaign fund raising project. Mrs. Schwenk will be in charge of Gettysburg and Cumberland Twp. and Mrs. Stetter will supervise activities in the balance of the county. They plan a series of parties in women's homes.

Mrs. Blaine G. Walters, chairman of the Legislative Committee, announced that the National Campaign Conference will be held March 5, 6 and 7 in the Hotel Statler, Washington, D. C.

Mrs. Butterfield announced that the next council meeting will be held March 20. A discussion of the constitution methods of the selection and election of the president and vice president will be conducted.

## CAR AND TRUCK CRASH IN TOWN

Borough police investigated an accident at the intersection of York and Fourth Streets involving Carl S. Schutt, 59, and John Gastley, 62, both of Gettysburg R. 5, at 6:40 o'clock Tuesday evening.

Police said Schutt was traveling south on Fourth St., stopped at the stop sign at York St., entered the intersection and was almost in the middle of it when he saw Gastley's truck traveling east on York St. Schutt is said to have swerved to his left to avoid a collision but was too late. The right front fender of the Schutt auto was damaged to the extent of about \$15. Damage to the left front fender and body of the Gastley truck was estimated at \$10. Police said Gastley's right hand was bruised.

## Worley Votes Against Three Tax Measures

Assemblyman Francis Worley voted against the gross receipts tax, the sales tax and the income tax "to help the Governor to keep his campaign promise not to enact any new taxes" Tuesday evening in the House at Harrisburg. All three measures got House approval.

Worley addressed the House Tuesday evening in behalf of the bill to allow farmers to fish without paying any license or fee on farm ponds on their own properties. "The farmer pays for the pond and he pays for the fish, so why doesn't he have a right to fish therein without a license or fee?" he asked. The bill passed unanimously.

were a solid foundation that the generations which followed built upon.

## Certificate To Schultz

"We of the present generation are still building a better Gettysburg. To you and your contemporaries will be handed the task to continue this never ending building program. We feel secure when it is in hands such as yours."

A second presentation at Tuesday's meeting was made by President Crow to William C. Schultz, Fairfield, named recently by the Junior Chamber as its selection as the "outstanding young farmer of the community." He was presented a certificate of merit by Mr. Crow. Mrs. Schultz was also a guest and was introduced.

Dr. Baughman's address dealt chiefly with the importance of good citizenship "in these days when civilization can be blotted out in a breath." He asserted: "How we use the vast power that man has wrested from the universe, whether for blessing or destruction, for life or death, depends upon the quality of our citizenship."

## Guests Introduced

"This nation grew on the spirit of dedication and commitment its founders wrote into the Declaration of Independence when they said 'for the support of these principles we pledge our lives, our fortunes and our sacred honor.' When I think of the individuals and groups who ask first 'what's in it for me?' I know we need to pray for the recovery of that spirit so well stated in 1776."

Mr. and Mrs. McIlhenny attended the dinner as guests and were introduced as were these other guests: The Rev. Clyde R. Brown, Presbyterian pastor who gave the invocation and benediction; Attorney Hartman, representing the judges; Donald Manning, president of the Travel Council; Cletus Mayer, vice president of the Exchange Club; President Earl E. Ziegler of the Lions Club; Mares Sherman, president of the Chamber of Commerce; Mrs. Harold Eckert of the Woman's Club and Mrs. George W. Boehner of the Soroptimists.

McIlhenny is the second recipient of the Jaycee Junior Citizen award which was initiated in 1955 and presented a year ago to William Swisher Jr., son of Mr. and Mrs. William Swisher, E. Middle St.

readily available, and would have to get it from one of two safes at his auto agency. Hurst arranged a rendezvous in a park.

Jackson immediately called Mayber, who alerted other police cars throughout Pueblo and himself drove a police station wagon to meet Jackson at the latter's garage.

## Police Spot Kidnapper

Joined there by Fortino, Jackson and Fortino sought to open one of the safes. Their efforts were interrupted when Mayber overheard a police broadcast. It advised that police cars had spotted Hurst and Mrs. Jackson in the park, and were giving chase in the direction of Canon City, 38 miles west.

The trio joined the chase, and again by radio learned that Hurst and his victim had been halted 27 miles west of here by Police Sgt. Herman R. Huskins and State Patrolman Carroll Powers.

Hurst pointed his pistol at Mrs. Jackson's head and forced her over a wire fence at the side of U. S. 50. Huskins and Powers lost their trail.

Jackson, Mayber and Fortino arrived and, their spotlights ablaze, drove the police vehicle through the fence and onto the prairie where their lights picked up Hurst and Mrs. Jackson crouching behind a bush. The trio halted their vehicle within 20 feet of the pair. They dismounted and, standing in the fringe of the lighted beam, Jackson advanced slowly.

## In Nick Of Time

"It's too late now; it's already done," Hurst called back. Mayber, circling the gunman, and within a few feet, noticed the hammer of his pistol was forward. He calculated the instant he would have to leap on Hurst, and took the chance. Jackson and Fortino, his pistol held ready to club the gunman, leaped in. Mrs. Jackson rolled backward out of the line of fire.

In a few minutes Hurst's blue denim pants and jacket and his white shirt were stained with blood. Semi-conscious, he was quickly handcuffed as other police and state patrolmen arrived.

All were then driven back to Pueblo.

## Washington's

(Continued from Page 1)

Clean, then editor of the Compiler, wrote:

"Saturday, October 25, George Washington started on tour which took him for a second time through the heart of Adams County. The route, according to the best authorities, was over the mountains through Hilltown, Mummansburg and on through Hunkerstown, New Oxford and Abbottstown. Several traditions of this journey survive in this county. One is that told by Thomas Craig, a colored man who lived above Cashtown and at the time of his death had reached the great age of 104 years. During his life he told Henry J. Stahle (then editor of the Compiler) that he saw Washington pass his old master's place along what was known as the old Philadelphia road and that Washington rode in a great carriage guarded by light horse.

"Then it was handed down that he took a meal at the old stone house, at the junction of the Arendtsville road with the Shippenburg road, for many years owned by John Carey, but in Washington's time it was owned by Russell.

## "Keep A Secret"

"As the story goes after Washington had eaten Landlord Russell could not contain himself and asked him where he was going. The big, polite, patient first gentleman of the land is said to have smiled, and to have gone quite close to Landlord Russell and in a whisper replied 'Can you keep a secret?' Then he turned away, took up his journey and Landlord Russell was no wiser of the secret to be kept. There was another stop at New Oxford. The first president is also said to have stopped in Hunkerstown while on the trip."

In another article in the Compiler in 1904 George R. Powell, the historian, relates the story of Harriet Hamilton Bayley who was at Russell's tavern when Washington slept there.

"She said there was a sick child at the tavern that night and that Washington had tiptoed with a candle to his room to avoid disturbing it."

Washington had previously crossed the county on a trip in 1791 when he stayed overnight in Taneytown.

## 4 TOURNAMENT TEAMS KNOCKED OFF IN WEEK

By ED WILKS  
The Associated Press

This is Belt - the - Tournament Teams Week in college basketball. In two nights four post-season selections have been knocked for a loop, including mighty Louisville, ranked No. 3 in the Associated Press poll and a likely co-favorite for the National Invitation Tournament title.

Eastern Kentucky, an unlikely, 9-14 giant killer, stunned Louisville 85-84 last night with Jack Adams tipping in the clincher in the final seconds. The Cardinals now have lost two of their last four games for a 21-3 record.

Adams missed a short set after a 45-second freeze but recovered for the tip-in. He was high for the game with 35 points. Louisville, hitting on only 27 of 80 shots, was led by Charlie Tyra, who scored 25 and tied it at 84-all with two free throws.

**Connecticut Falls**  
Connecticut, an NCAA entry as Yankee Conference champ, fell to Massachusetts 87-85. The Uconnis, suffering their first league defeat of the season, made up a 19-point deficit to tie it at 83-all. But Dick Eid and George Burke then packed it away on successive driving layups.

"THOUGHTS OF WASHINGTON"

What can be said of Washington... that wasn't said before... we are aware of his good traits... and will be evermore... we know about his faith in God... his strength and industry... and who is there who does not know... about the cherry tree... but nonetheless I'll add my thoughts... to those already said... though Washington has long been gone... his fame is far from dead... in fact, as years go by it grows... and lives within the hearts... of those who cherish freedom's kiss... and all that it imparts... the father of our country... brought freedom to this land... becoming our first president... who ruled with righteous hand... so I end my humble phrases... with a fervent silent prayer... may God protect our country... and keep us in His care.

State was upset by Tennessee Tech, and NIT entry Marquette was spilled by Notre Dame.

In other games, sixth-ranked North Carolina State made up a nine-point deficit in the last 15 minutes to beat ninth-ranked North Carolina 79-73 and make the Atlantic Coast Conference the most evenly balanced league in the nation. N. C. State, North Carolina, Wake Forest and Duke all share the lead at 10-3.

**Virginia Shellacked**  
Duke made it by building a 25-point edge on five straight field goals by Joe Belmont at the start of the second half and then rolling on to shellack Virginia 92-58.

N. C. State, the reigning ACC champ, took a 69-68 lead in its closing rally as Lou Dickman sank a set with 1:48 to play. Then Dickman, John Maglio and Vic Molodet popped in free throws to ice it. Molodet, with 24, and Mag-

## Howitzer Cagers Lose To Hanover

The Howitzer Co. dribblers of the Gettysburg National Guard dropped their second league game to E Co. of Hanover here Tuesday evening 82-61.

A strong second half gave the visitors the decision after the half ended 32-16 with Hanover leading. Tonight the local cagers travel to Waynesboro and a win for the Franklin Countians will give them the battalion championship.

lio, with 23, paced the Wolfpack, but North Carolina's Len Rosenbluth was tops with 28.

Southern Methodist, ranked No. 12 nationally, clinched no worse than a title share in the Southwest Conference by whipping Baylor 89-68 as Ron Morris, with 21, and Larry Schwalter, with 18, broke up a Baylor zone in the first half with their sets. SMU can grab the title and NCAA berth by beating runner-up Arkansas at Dallas Saturday.

Idaho State won its fourth straight Rocky Mountain title and NCAA entry by beating Colorado College for the second night in a row, 77-52. Texas Tech, however, tumbled to third in the Border after holding what looked like a sure title claim by losing to New Mexico A&M 68-65. The Aggies rallied with 14 points in the last 7 minutes to gain a share of the lead with Texas Western, which beat Tech Monday.

## Littlestown LEGION WOMEN OPEN CAMPAIGN

The American Legion Auxiliary of Ocker-Snyder Post 321, Littlestown, announces the start of their 10th annual magazine subscription campaign. Mrs. Francis J. Will states that the commissions derived this year will be used to purchase additional hospital equipment.

As a result of previous campaigns sponsored by the American Legion Auxiliary, they have been able to purchase and maintain the following sick room and life saving equipment: Five hospital beds, three wheel chairs and three pairs of crutches.

The equipment has been available for temporary use with charge to any resident. It has been in almost constant demand and has given valuable and timely service throughout the community. The Auxiliary feels that the equipment it proposes to purchase this year is a much needed addition to that already available.

### Accredited Workers

As in past years, only accredited representatives of the publishers bearing the letter of introduction and identification from the Four-County Council, comprising Adams, Franklin, Fulton and York Counties, signed by Mrs. Francis Will, president of the local unit; Mrs. Mary Keller, president of the Four-County Council, and Mrs. Albert H. Miller Jr., secretary of the Four-County Council. The plan will be explained in detail, and residents, when called on, should request to see the representatives, letters of introduction. This is to eliminate an unauthorized person. Donations are not to be solicited or accepted.

The Auxiliary again wishes to

announce that the present equipment, and that which they propose to purchase, is housed at the Legion Home when not in use. Any resident needing any of this equipment in his home should call Mrs. James W. Fager for full particulars.

The next quarterly meeting of the Four-County Council will be held in Littlestown on Thursday, March 1, with the Ocker-Snyder Legion Auxiliary as the hostess unit. The affair will be held with lunch and sessions in Redeemer's Evangelical and Reformed Church social hall. All reservations should be made with the local president, Mrs. F. J. Will, by Friday, Feb. 24.

## Littlestown 15 GIRLS GET WINGS AT FLYUP

Fifteen girls received wings at the fly-up ceremonies held for Brownie Troop 11, in connection with the February meeting of the Girl Scout Troop Committee members, leaders and assistants, on Monday evening in the engine house.

Mrs. Charles E. Rabenstein and Mrs. Clinton O. Sentz conducted the investiture ceremonies. Mrs. Rabenstein opened the ceremony with the flag salute and the group singing of "America"; she explained to the Brownies the meaning of the fly-up ceremony. Ten Brownies each lighted a candle for one of the Girl Scout Laws which they repeated before lighting the candles from the three master candles, representing the Girl Scout Promise. The girls received wings signifying up from Brownies to Girl Scouts.

Those who were presented with Girl Scout pins were: Joan Barton, Joann Beamer, Diane Bowman, Ellen Baumgardner, Sally Cookson, Janice Evans, Carol Hollinger, Carol Long, Grace Lunsford, Kay Morehead, Patricia Myers, Lois Nester, Judy Wolfe, J.111 Weikert and Nancy Wingling. Five troop committee members, Mrs. Dennis S. Wallick, Mrs. Howard Myers, Mrs. William R. Keefe, Mrs. John A. Sentz and Mrs. Thomas L. Cookson Jr., were also invested. Miss Bernice J. Currens is leader of Troop 11, and Dr. Leah A. Maitland is the assistant.

### Plan Scout Week

Plans for various Girl Scout Week activities were announced at the troop committee and leaders session. The various troops of the community will participate in the annual window decorating contest. The leaders of each troop are asked to contact Mrs. William H. Marshman, to be assigned a business establishment window, for displaying the troop's work. Tuesday, March 13, has been set as the date for judging the windows.

As is customary each year, the Protestant Brownies and Girl Scouts will attend church worship service, in a body and in uniform, along with their leaders. On Sunday, March 11, the girls will worship at Redeemer's Evangelical and Reformed Church, meeting at the church at 10:15 a.m. The Catholic girls will attend mass in St. Aloysius Church that morning at 7:30 a.m.

Preliminary plans were discussed for the annual summer day camp. Mrs. Emerson F. Muller was named the campsite chairwoman. Mrs. Leonard Kershner is the camp staff recruiter. A "name the camp-site campaign" was organized. Each troop has the opportunity to submit a name for the new camp-site. For the name selected as the winning one, the troop will be given the privilege of planting a tree at the camp-site.

### Award For Cookie Sales

It was announced that the Scout selling the most boxes of Girl Scout cookies will receive an award from the Gettysburg GS Council; also the district selling the most cookies will be able to plant a tree at the camp-site. A district meeting will be held at Gettysburg on Monday, Feb. 27.

The Adams County Girl Scout Council will be celebrating its tenth year in Scouting, the an-

nual Juliette Low Rally, to be held in the Gettysburg High School gymnasium on Saturday, March 10, 10 a.m. to 2 p.m., when the Brownies of Littlestown will entertain with a Mexican hat dance. Each Scout attending will take a nose-bag lunch. A drink will be provided. Each leader will provide transportation for her troop. Because the school gym floor was recently refinished, the girls are asked to wear gym shoes or other rubber soled shoes. Following the business, refreshments were served by Mrs. Walter A. Morelock Jr. and Mrs. Wilson P. Green.

Girl Scout Troop 26, of which Mrs. Charles E. Rabenstein is the leader, and Mrs. Clinton O. Sentz, the assistant, will be graduated from Scouting on Monday, March 12, at 7:30 p.m., in connection with the next regular troop committee meeting.

### ALL IN A DOG'S DAY

INVERNESS, Fla. (AP) - Leonard Swett is sorry he took his dog along on a hunting trip. When the dog jumped from the car he knocked a pistol to the ground and discharged it. Swett suffered a leg wound. However, the dog helped Swett's son, Bobby, bring in a seven-point buck deer.

BUFFALO, N. Y. (AP) - Chuck Blair, right wing for the Buffalo Bisons, scored the 100th goal of his American Hockey League career against the Springfield team.

## William S. Menges Services Held Today

Funeral services for William S. Menges, 71, Littlestown R. 1, well known miller and feed dealer, active in many civic and fraternal organizations, who died on Sunday at 6:35 p.m. in the Warner Hospital, Gettysburg, were conducted this afternoon at 2 o'clock from the J. W. Little and Son Funeral Home, Littlestown. The Rev. William C. Karns, pastor of St. John's Lutheran Church, Littlestown, assisted by the Rev. Paul Freeman, pastor of Holiness Christian Church, Key was made in Mt. Carmel Cemetery, Littlestown.

Mr. Menges was a member of the board of directors of the Littlestown State Bank, and the pallbearers were all members of the board; active pallbearers, Luther D. Snyder, C. P. Myers, Wilbur A. Banker, Edgar W. Berwager, John H. Menges and Harrison F. Snyder; honorary pallbearers, Charles M. Weikert, Thomas F. Devine, Paul R. Wildasin and Ira E. Fuhrman.

Patmos Lodge No. 348, Free and Accepted Masons, Hanover, of which Mr. Menges was a member, conducted the Masonic rites at the funeral home on Tuesday evening. Participating were: Raymond Stauffer, worshipful master; James Munson, senior warden; Robert Miller, junior warden, and Earl Hoffacker, chaplain.

Damosch Sees Passing of Jazz  
In Near Future: New York (AP) — Modern music is only a phase of composers' efforts to write music of their age, Walter Damosch thinks and it will pass.

The composer-director sums up ultra-modern composers as seekers for music which excludes emotion from its theme. "It is," he said in an interview "a back-alley leading nowhere."

## Arendtsville Wins Annual Big Game

Arendtsville won both its annual basketball games with Biglerville teams on the latter's floor Friday night. The score for the boys' game, the major contest, was 10-9. The score of the girls game was 45-10.

The line up was: Arendtsville, Gulse, McCauslin, Warren, McDannell and Robert and Biglerville, Thomas, Bucher, Ebbert, Conover and Dick.

## John C. Bream New Head Of Directors

John C. Bream, Highland township, was elected president of the Adams county school directors association at the fortieth annual convention at Gettysburg high school Friday afternoon. He succeeds D. C. Jacobs, Arendtsville, who had been president for two years.

Other officers chosen include Henry S. Stoner, Littlestown, first vice president; Harry A. Spangler, Huntingdon township, second vice president; A. T. Bennett, York Springs, secretary; Harry L. Snyder, Gettysburg, treasurer; Clarence E. Wolf, Mt. Joy township, auditor; John C. Black, Cumberland township, and J. B. Zimmerman, Mt. Pleasant township, delegates to the state directors convention and Ralph R. Ruggles, Germany township, and John W. Klunk, McSherrystown, alternates.

Two Places Are Broken Into By Sneak Thieves: Two business establishments on Gettysburg's "main stem" were entered by petty thieves early this morning but the loss at both places did not exceed \$15.

The two places entered were the People's drug store and Reichle's meat market which adjoin in Baltimore street.

Entrance was gained by breaking the glass in the front door. To enter the Reichle meat market, C. E. Tawney, proprietor, said the thieves broke a rear window and unlatched it. At that place, the thieves took 19 cents from the cash register.

Andy Mellinger, baker at Reuning's bakery, which adjoins the meat market, said he heard the noise of glass breaking about 2:30 o'clock this morning, but paid no attention and did not investigate.

New Group Selects Chamber of Commerce Name: The name of the new organization formed to promote the advancement of Gettysburg is the Gettysburg Chamber of Commerce.

Adoption of this name followed a report of a special committee appointed to peruse the many suggestions for a name and present its recommendation to the special meeting of the membership in the Hotel Gettysburg annex Thursday evening. The old Chamber of Commerce will surrender its charter to the new organization. An additional report of the committee included a resolution signed by a majority of members of the old Chamber of Commerce which elected the officers of the new organization as the officers of the Chamber of Commerce and revised the constitution and by-laws of the old chamber of commerce to conform with the constitution and by-laws of the new group.

Phi Sigma Iota Chapter Will Be Installed At College Here: Phi Sigma Iota chapter of the national romance languages honorary fraternity will be installed at Gettysburg college Friday afternoon followed by a banquet at the Hotel Gettysburg at 6 o'clock.

The installation of the local chapter will also include the initiation

## Today's Talk

COMEBACKS  
There are those who say that a person cannot make a comeback after he has once, or many times, failed. Nothing is more false. Most of our great successes have been comebacks! You will learn this truth from every biography or citation of success. How alive are these stories!

In athletics the story is different. The body has its limits, but even here there are miracles performed, as in the case of Ben Hogan, who got smashed up in an accident but who came back to astound the world with his skill as a golfer, winning championships until no more existed! So thorough was he that a caddy once remarked: "He will even memorize the grain of the grass if it will help his game."

There was a time when Gen. Grant, and Lincoln as well, each thought he was through, but both came back—one to lead a victorious army, the other to guide a nation through its day and night of travail and trouble.

The Salvation Army's saying that "a man may be down, but not out" is something that has been proved again and again. Book after book could be written about those who have met misfortune, but who bounced back, to the amazement of others, and event themselves! A tragic accident didn't kill the spirit of the beloved Jane Froman, nor did those years of pain and debt matter, for she had courage and a voice with which to start and complete a glorious comeback. She believed in prayer and God.

There is no equipment so valuable as faith, self-reliance, confidence, and the will to live. Defeats and setbacks are only training periods for a genuine and lasting comeback. God listens to the discouraged, the broken in mind and body, and to all who need a helping hand to give them a lift and set them upon their way to better things ahead.

Tomorrow Mr. Adams will talk on the subject: "Bridges of Understanding."

## WASHINGTON

I wonder if today he knows Banks their doors and cages close.

And throughout our glorious land Banqueters to toast him stand? First of names among the free: Father of his country, he.

Washington! Whenever named, 'Tis by all to be acclaimed. First in war and first in peace: Glad to have the cannon cease. "In the hearts," they said it then—"First of all his countrymen."

Could he speak to us today, Keep the faith, I think he'd say: Bravely bear what'er you must; Still in God and freedom trust; Even wearied, as was I, Foes of liberty defy.

In your hearts hold freedom first. Suffer hunger, suffer thirst. Let for all, your banner be Freedom's solemn guarantee. This the birthday gift I ask, Strength and courage for the task.

## 8 FREEDOMS FOUNDATION AWARDS GIVEN

By LEE LINDER  
VALLEY FORGE, Pa. (AP) — Freedoms Foundation today turned the spotlight on what it said were the best things done in the United States in 1955 "to maintain the American way of life."

Altogether, the foundation honored 923 individuals, organizations and schools for things they wrote, said and did to preserve and advance America's freedom. But today only the top winners — a group of less than 50 — crowded into a tiny flag-draped barn to accept their awards from Adm. Arthur W. Radford, chairman of the U.S. Joint Chiefs of Staff.

"Keep America Strong" Radford keynoted the formal awards presentation with a speech that emphasized the importance of keeping America strong militarily if it is to remain free.

The ceremonies were held in a modernized, Revolutionary War barn that overlooks the hilly fields where the tattered Colonial army spent the bitter winter of 1777-78. It has been here since 1949 that the independent, nonprofit foundation has honored Americans for furthering the freedom won by Washington and his men.

## 8 Major Awards

There were eight major awards, but only one went to an individual. David Lawrence, newspaper columnist and magazine editor, who was presented the Freedom Leadership Medal, the foundations "highest commendation."

Lawrence was cited for "his continuing courageous presentation of the facts of the world Communist conspiracy" and for "his dedicated service to the fundaments of freedom."

Other top winners included: E. I. du Pont de Nemours &amp; Co.; Kiwanis International; the National Society Daughters of the American Revolution; Office of Armed Forces Information and Education (an arm of the Defense Department); Boy Scouts of America; Americans for the Competitive Enterprise System, Inc.; and the Veterans of Foreign Wars.

## Hacks Way Out Of Burning Airplane

CHARLESTOWN, R. I. (AP) — Using his regulation hunting knife, Navy Lt. Daniel M. Reddy, 28, of Sunbury, Pa., hacked his way out of his burning plane yesterday after a crash at an auxiliary landing field. He escaped without apparent injury but was held overnight at the Quonset Point Infirmary for observation.

Lt. Reddy's landing signal officer, had just touched down in a Skyraider when the right wing dipped and the plane rolled over, jamming shut the cockpit canopy as it caught fire.

RICHMOND, Va. (AP) — Firemen who have rescued babies, young ladies, canaries and all sorts of pets have added chinchillas. The D. E. Perkins family explained that a \$5,000 batch of the little South American rodents — valuable for fur — were in a rock wool-lined compartment in their burning garage. With axes firemen cut through into the air conditioned chamber and saved them.

## COLD WAVE CONTINUES

LONDON (AP) — Heavy snows and bitter winds spread still more misery over frozen Europe Tuesday, locked in the 22nd day of its worst freeze-up of the 20th century. Deaths from the weather totaled at least 737. Weathermen cautiously said milder temperatures might be in the offing, but that brought fears of widespread flooding from thawing rivers and snows.

## Seeks Nomination For State Senator

GEORGE W. FRIES

George W. Fries, of Green Village, Franklin County, has announced his candidacy for the Republican nomination for State Senator from the Adams-Franklin district. He filed his petitions on Monday.

Fries was born in Cook County, Ill., and moved to Chambersburg when he was 20 years of age. He has been a school teacher and a farmer. In 1922 he engaged in dairying and breeding of Holstein cattle. He is president of the National Holstein-Friesian Registry Association and a director of the state association. At the present time he is operating a nursery and a dairy farm. He is also a member of the Greene Township school board and has served as director, president and treasurer.

## Salk Vaccine Safe For Mass Usage

GENEVA (AP) — The U. N. World Health Organization reported Tuesday that the American polio vaccine developed by Dr. Jonas E. Salk could now be considered safe for use on a mass scale.

The report, by an international group of 12 leading polio experts who met in Stockholm last November, was the first official international approval of the Salk vaccine and similar antipolio serums developed in other countries.

The report advised countries where poliomyelitis is a major health problem to plan a mass inoculation campaign, preferably at the time of the year when the disease is normally at its ebb.

## RETIRED REFUND

LITTLE ROCK (AP) — For 18 years, a state mine inspector paid the premiums on his official bond because he didn't know the Arkansas treasurer was supposed to do it.

After his retirement, J. W. Fitzgerald discovered his error and filed a claim for a \$360 refund. The state Claims Commission agreed that his claim was valid, but imposed the five-year statute of limitations on back payments and sent him a check for \$100 marked "paid in full."

## DULLES COMES HOME TODAY TO FACE QUERIES

WASHINGTON (AP) — Secretary of State Dulles comes home from vacation today to face demands in Congress for an explanation of the administration's policy on arms shipments to the Middle East.

He has been away fishing in the Bahamas throughout a row set off by the disclosure last Thursday that the United States was about to deliver 18 light tanks to Saudi Arabia. The disclosure was followed by a two-day embargo on all arms deliveries to the Middle East. The tanks now are on their way to Saudi Arabia.

## To Testify Friday

Chairman George (D-Ga.) before the Senate Foreign Relations Committee on the tank sale and on what the Democrats have called the "on-again off-again" embargo.

Congressional criticism of the tank deal has come mostly from Democrats. Dulles has not been confronted with such a barrage of adverse comment since his "brink of war" statement was published in Life magazine more than a month ago.

Some members of the Senate Foreign Relations Committee said that in Friday's session Dulles would be questioned on the "brink of war" interview as well as on the Middle East arms issue.

Dulles went on a fishing trip to the Bahamas Feb. 12.

## Littlestown Rotary Hears Arabian Talk

Abdulaziz Futaih, presently a student at Western Maryland College, Westminster, who is a native of Yemen, Arabia, was the guest speaker at the meeting of the Littlestown Rotary Club on Tuesday evening at Schottie's Hotel. Mr. Futaih has been in the United States for two years. The speaker was introduced to the club by Lloyd E. Crouse, of the International Service Committee, and he told the Rotarians of the peoples and customs of Arabia.

Prior to the dinner, the Rev. David S. Kammerer offered the invocation. L. Robert Snyder was leader for group singing. Miss Barbara Swam played dinner music. Clyde W. Crouse introduced one visiting Rotarian, A. S. Sargeant, Hanover.

Next Tuesday evening the Rotary Club will meet jointly with the Lions Club, at which time the local Boy Scouts will be guests. The affair will be held in Reuemer's Evangelical and Reformed Church social hall. A program will follow the dinner.

## Senate Confirms Philip O. Carr

HARRISBURG (AP) — Philip O. Carr, Uniontown, will fill a vacancy on the State Superior Court until next January.

The 41-year old attorney won unanimous Senate confirmation yesterday as Gov. Leader's selection to fill the seat left vacant by the sudden recent death of Judge F. Clair Ross.

Carr also has the endorsement of the Democratic State Policy Committee for the party's nomination at the April 24 primary for a full 10-year term.

## FAVOR AID FROM LITTLE FELLOW

WASHINGTON (AP) — Rep. Quigley (D-Pa.) says committeemen of both political parties in his congressional district favor political campaign contributions from the little fellow.

His information is based on replies to questions he sent to committeemen and committeewomen in Adams, Cumberland and York counties, Quigley said Monday.

The replies overwhelmingly favored the income tax deduction approach to induce the small contributor to take part financially in political campaigns, he said.

## Favor Deduction Law

Of the replies of both Democrats and Republicans, Quigley said 93 per cent favored a law that would allow contributors to deduct their political gifts when figuring their income taxes.

Quigley said various limits on the allowable deductions were favored—some suggesting a limitation of \$200 or less. One proposed a \$500 limit, another \$1,000.

"Most were agreed that better government at all levels would result from relief from the pressures exerted by the large benefactor, whose contribution very often not only must be accepted, but must be eagerly accepted," the Pennsylvania congressman said.

## FAVOR STATE CAFETERIA

HARRISBURG (AP) — A bipartisan bill to require the State Property and Supplies Department to continue its operation of the main Capitol building cafeteria was approved by the House 206-0 on Monday and sent to the Senate. It would permit the department to lease to private firms management of all restaurants in Capitol buildings except the one in the main building basement.

## Mechanicsburg Trips GHS Cagers 71-57; Scrubs Bow; Hershey High Here Friday

Gettysburg High School's hopes for sixth place in the second half race of the South Penn League were smashed at Mechanicsburg Tuesday evening when the Wildcats took a 71-57 decision. The Warriors close their campaign here Friday night against Hershey and could gain a tie for sixth place via a victory.

The Warriors fell behind in the first period 18-12 but at half time cut the margin to 32-28. However, Mechanicsburg took command in the final two frames.

Bud Kohlhaas, husky Wildcat forward, poured 22 points through the hoops to lead the winners and was backed by a 14-point effort by Houser.

### Johnson Stopped

Rolf Johnson landed but four points for the Warriors, all coming in the last period. He drew three personal fouls in less than three minutes of the first period and when he was re-inserted midway in the third period was charged with his fourth foul. His absence hurt considerably, his total action being about five minutes.

Tom Kitzmiller, replacing Johnson, turned in a good relief job with 12 points while Earl Little topped all scorers with 18 and Bobby Hess added 12.

Most of the game Coach George Forney stuck to a lineup which included but one senior, Glenn Weishaar. Rounding out the combination were Hess, Little, Jon Wagnild and Kitzmiller.

The Warriors held a brief 4-2 lead and then trailed the remainder of the way. Hess landed five goals in the first half with Kitzmiller adding eight points and Little six. Kohlhaas looped six goals and a pair of fouls to pace the Wildcats.

Mechanicsburg began to pull away midway in the third period to seal the verdict.

### Trojans Eliminated

In other games Carlisle eliminated Chambersburg 69-63 while unbeaten Middletown routed Waynesboro 71-43.

Blanked in the first period 10-0, the Gettysburg reserves were never in contention as they dropped the preliminary 50-20.

## DELONE LACES LANCASTER FOR LOOP TRIUMPH

The Delone Squires took full advantage of a small court to swamp the Lancaster Catholic Crusaders 82-57 on the losers' home floor Tuesday night. Delone has now won two straight games in the second half of the Central Penn Catholic League to give them a record of 2-1, losing only to Harrisburg.

Coach John Russ' high flying Squires jumped out in front by a wide 26-8 margin in the initial frame and were never threatened after that. Carroll Funk and Dick Smith were the big guns for Delone, as they combined to score 24 of the 26 points, Funk having 14 of them. Ed Roth was the only other scorer when he connected on a one-handed jump shot from the corner. Lancaster didn't hit the scoring column until 2:45 minutes had gone by in the game. Buddy Stoudt, Bill Goba and Ben Charles landed goals from outside with Tom Rothwell dunking a pair of free throws.

Shortly after the second frame started Delone used a whole new team as did the Crusaders. Funk tossed in six more points with Phil Staub and Joe Poist breaking in with a trio of field goals. Roth and Smith gave a helping hand from the foul line. Lancaster started to move in the second frame as they outscored the Squires 19-15. Charles looped in three goals followed by two-pointers from Stoudt, Joe Gohn, Barry Bell, John McHugh and Ron Kopczewski. Gohn and Stoudt also gave some aid from the foul line. At the end of the first half Delone was leading 41-27.

### Squires Ice Verdict

The second half proved to be a scoring contest with Funk, Smith and Charles competing. Funk and Smith played the entire 16 minutes while the three remaining men were replaced intermittently. The Squires baffled Lancaster with a fast break. The only two substitutes to score for Delone were Richie Hemler with a field goal and Herb Horwiddle landing a pair of two-pointers.

Lancaster tallied only eight points in the third frame to let Delone pull ahead 65-35 after three quarters. In the final frame the Crusaders splurged with 22 points to Delone's 17. Charles led the way as he dropped three goals and a pair of fouls through the cords.

Carroll Funk and Dick Smith were the leading scorers as they tossed in 37 and 24 points, respectively. Ben Charles landed 16 for Lancaster followed by Buddy Stoudt's 12.

### Winning Goal

Lee Little, on a one-handed jump shot from the foul line with five seconds remaining in the game, gave the Delone reserves a thrilling 44-42 victory over the Lancaster reserves in the preliminary contest. Lloyd Washington was high man for Delone with 12 points while Ron Kopczewski led Lancaster with 22.

The Squires tangled with Mt. Carmel Catholic on the Delone court in a league game, Friday.

## Littlestown Girls — County Champs

After two successive years of losing the Adams County Girls' Basketball League title by one-point game margins, the Littlestown girls, pictured above, swept through the league this year undefeated to clinch the 1956 honors. Last year the Pacers lost to Biglerville by one point and two years ago dropped the title game to Boiling Springs, also by a single tally.

Coach Kay Sentz's squad played 11 games during the season, winning seven league games while dividing in four pre-league affairs. They lost two decisions to the W. E. Sells sextet, 41-33 and 28-26, and defeated Hampstead 57-24 and Robert Moton 45-6. During league play the girls tallied 466 points for an average of 66.6 per game, as compared to 239 for the opponents.

First row, left to right: Gerrie Roberts, Edra Ealy, Nadine Crouse, Beverly Kunkel, Joyce Brown, Lorraine Snyder and Gloria Burgoon.

Standing: Coach, Sentz, Judy Ruggles, Joyce Barnes, Carolyn Brown, Phyllis Rimel, Susie Blocher and Kathryn Streiv, senior manager. Mary Ann Burgoon and Brenda Worley, also student managers, do not appear on the picture.

Those who will be lost by graduation are the Misses Kunkel, Crouse, Joyce Brown and Snyder, all seniors. (Photo by Poist Studio)

## MIDDLECOFF FAVORITE IN HOUSTON OPEN

HOUSTON (AP)—Cary Middlecoff, the golfer most frequently picked to win the Houston Open, will be the favorite again when the 72-hole, \$30,000 event starts tomorrow.

In two days, the former Memphis dentist has collected 14 birdies in practice rounds over the sprawling, 7,122-yard, par-72 Memorial Park course.

"I'd like to start tomorrow knowing I would have 14 birdies in two days," the tall golfer said. Middlecoff won the Houston Open in 1950 and 1953.

### 49 Qualified

Professionals Harry Dee, Harisdale, N. Y., and Bob Gajda, Detroit, Mich., and amateur Bill Williamson, Charlotte, N. C., posted identical scores of 33-35—68 yesterday to share medalist honors as 51 out of 144 players qualified for tomorrow's field of 160.

Forty-nine qualified with scores of 74 or better. This left room for only three of the 14 tied at 75. Two of them, Joe Black, Abilene, Tex., and Don Byrd, Lake Waukegan, Ind., qualified before darkness stopped a swiftest after two holes.

Henry Williams Jr., Reading, Pa., was the top money winner in the tournament's new \$3,750 pro-amateur event at the Sharpstown Country Club.

Williams' low score of 66 on the 6,840-yard, par-71 Sharpstown layout was good for \$450. Jackie Burke Jr., Klamath Lake, N.Y., had a 67 for \$275, while Jerry Barber, Los Angeles, won \$250 with a 68.

## EDDIE MACHEN FIGHTS TONIGHT

SAN FRANCISCO (AP)—Heavyweight Eddie Machen, the Bay area's heavyweight hope who is undefeated in 11 professional starts, meets Julio Mederos of Havana tonight.

If Machen gets by the ring-wise and more experienced Cuban, he will prove himself a better fighter than most fans give him credit for. It will be Machen's first televised bout and the first fight in San Francisco's newest boxing palace, promoter Bennie Ford's San Francisco Garden.

Ten of Machen's 11 wins were by knockouts, one of which was over Howard King of Reno, who went 10 rounds but lost a decision to light heavyweight champ Archie Moore here Monday night. His longest fight was a 10-round decision over Ben Wise last December.

Mederos, on the other hand, has two knockouts to his credit. There is no question that the 23-year-old Cuban has on the whole fought better opponents than Machen.

## BULLETS TOSS ELIZABETHTOWN; GAIN 3 FALLS

The Gettysburg College wrestling team captured its fourth victory against three reverses when it outclassed Elizabethtown College here Tuesday evening 30-7.

Three falls were registered by the Bullets with Dave Turnbull, 147; Bill Sells, 177, and Dick Mitchell, heavyweight, pinning their opponents.

The Blue Jays forfeited the 123 and 130-pound events to the Bullets. Jerry Ebersole, 157, gained the lone win for the visitors by tossing Bill Knup, Elizabethtown's other two points came when John Hollinger and Barry Kunkel of the Bullets grappled to a 2-2 stalemate.

### Exhibition Matches

Five exhibition matches between the Gettysburg freshmen and Waynesboro YMCA preceded the varsity affair, Waynesboro failing to bring a full team.

In the exhibitions Dave Thomas, 130, won by a decision; Bob Philidius, 137, fall; John Crawford, 147, decision; Ron Scott, 157, decision, while Andy Leh, 167, lost on a decision.

Gene Haas' varsity meets once-between Lafayette at Easton Saturday afternoon. The freshmen go to Mercersburg Academy for a meet Saturday at 1 p.m.

## DODGERS OPEN TRAINING AT VERO BEACH

VERO BEACH, Fla. (AP)—The advance guard of the world champion Brooklyn Dodgers began spring training today with words of caution from Manager Walt Alston.

"I've got to guard against overconfidence," he said. "I intend to keep reminding them of it even though I don't anticipate any trouble."

"Too many players on this team have been through disappointments before so they should know what to do. But all the same I'm taking no chances. They'll hear plenty on the subject."

### Pitchers Open Up

The main squad doesn't report for another week, but most of the pitchers and catchers were on hand to begin preliminary work.

Last spring, Alston had no trouble whipping the squad into shape, for the "disappointment" he was talking about still was fresh in the players' minds. They thought they could win the pennant in 1954 any time they chose to make their move. But they didn't.

That hurt and they needed no persuasion to get into shape before the '55 campaign got under way. This year, Alston finds himself lacking a psychological motive.

### "Get Tough" Policy

He'll probably institute a mild "get tough" policy. For example, he said that any other players who want to begin training with the battery men are welcome but that they'll have to do things his way.

"I don't want any of this business of sitting up and standing around after a few minutes," he said.

Carl Furillo, Gil Hodges and Rube Walker all were on hand when Alston arrived. The manager said there would be only one workout a day and that would last until he decided the players had had enough.

## FREE DEMOCRATS THREATENED FOR PARTY DEFEAT

BONN, Germany (P)—Chancellor Konrad Adenauer threatened the rebellious Free Democratic party Monday night with ouster from his government coalition in retaliation for the humiliating defeat they handed him in West Germany's richest state.

The rightist Free Democrats teamed up with the opposition Socialists in the rich Ruhr industrial state of North Rhine-Westphalia to unseat Premier Karl Arnold, one of Adenauer's chief lieutenants. The vote on a non-confidence motion Monday was 102-96.

Socialist Fritz Steinhoff replaced

Arnold, a founder of the Christian Democratic party.

### Will Examine Problem

The tight-lipped old Chancellor told the German Press Club Monday night it appeared impossible that his Christian Democrats could continue to cooperate on a national level with a party opposing him on a state level. He said his party's national committee would examine the "impossible situation" Friday.

Leaders of the Socialist-Free Democrat alliance in the Ruhr said they would expand their campaign to end what they termed Adenauer's one-party domination of West Germany. Steinhoff said similar alliances might be formed to topple Christian Democrats in other states.

### Loses Majority

The defeat cost Adenauer his absolute two-thirds majority in the Bundestag, upper house of Parliament. It reduced from 28 to 21 his iron-clad voting strength in the 38-

## Seek Reconsideration Of Hospital Funds

HARRISBURG (P)—The secretary of welfare would be urged to reconsider his proposal to allocate all federal aid for Pennsylvania hospitals to mental institutions under a resolution before the Senate today.

A resolution introduced Monday night by Sen. Plack (R-Luzerne) would ask Welfare Secretary Harry Shapiro to distribute the money to the various communities "for hospital construction purposes when matched with local funds."

Sen. Barr (D-Allegheny) agreed in part with Plack's proposal but said he believed some of the money should go to mental institutions since no funds have been provided as yet during this legislative session.

## DUCHESS WAS UNPREPARED

NEW YORK (P)—The Duchess of Windsor says she was "unprepared and unarmed" for the storm stirred up by her romance with former King Edward VIII more than 19 years ago.

In the first installment of her autobiography published in the current McCall's magazine, the former Wallis Warfield Simpson writes:

"Rather late in life I found myself not only in love but loved as few modern women could ever expect to be loved, with a great throne at stake, a vast empire seething, and with the most obscure details of my previously unnoticed existence reverberating in the four corners of the earth—when these extraordinary happenings overtook me, slowly at first, then with the rush of an avalanche, I was unprepared and unarmed."

Edward abdicated the British throne Dec. 11, 1936, for "the woman I love." His romance with the Baltimore divorcee had produced a crisis throughout the British Empire.

"Nothing that I had known before or learned seemed to apply to my new circumstances," the duchess writes. "I stood quite alone and defenseless in the eye of the storm. Mistakes were made by me and by others whom I might have influenced but for the lack of communication and understanding. 'Had I had my way, when at the eleventh hour full understanding finally came to me, this story would have had a different ending. If indeed there had been occasion to write it at all.'"

NEW YORK (P)—The sponsor of The \$64,000 Question plans a new television show with a grand prize of a quarter of a million dollars. A spokesman for the sponsor, Revlon cosmetics, said the show will be called "The Most Beautiful Girl in the World." He said three pretty girls will compete each week with a final winner picked once a year.

member house, elected by parliament of the nine states of West Germany.

## CLARK OPENS CAMPAIGN WITH ATTACK ON GOP

WASHINGTON (P)—Former Mayor Joseph Clark of Philadelphia officially launched his campaign for the U. S. Senate seat from Pennsylvania now held by Sen. Duff with criticism of Duff, Sen. Martin (R-Pa) and of "men around the President."

Clark, who is virtually assured of the Democratic senatorial nomination in the Keystone State, said on Monday that for the next six months "we will see" from Duff "an unaccounted liberalism in words," as Duff campaigns for reelection.

Clark told the Women's National Democratic Club, however, that since Martin plans to retire at the end of his present term in two years that "he can be relied on to vote in the future as he has in the past against 90 per cent of the program the President is now recommending."

### Cites GOP "Condition"

Clark asserted that "the time has come to make a direct attack on the men around the President." The former Philadelphia mayor said "we have a condition of schizophrenia in the Republican party."

"Dr. Jekyll is in the White House and Dr. Jekyll is a fine and lovable character, but wherever else we look we see a series of Mr. Hydes—whether it's the vice president's office or in the offices of many of the principal administrators and members of the Congress. These men have no interest in putting the program of the President through," Clark declared.

ATHENS, Greece (P)—Right wing election opponents of Premier Constantine Karamanlis today renounced their alliance with Communist line parties and said they would support the Premier's foreign policy.

## Fresh Charge Filed By Reds

LONDON (P)—The Czechoslovak government charged Tuesday that a U. S. balloon caused the Jan. 18 crash of a Czech airliner in which 22 persons died.

The charge was made in a Prague radio broadcast.

Previous official reports of the disaster made no mention of its cause, but Prague and other Communist capitals have been charging that American balloons are a menace to airplanes.

According to previous broadcasts, the plane crashed in wild mountain territory in the Levoca District. It was en route from Bratislava to Kosice.

Communist protests to the United States have charged that U. S. authorities are launching observation balloons for espionage and leaflet balloons for propaganda.

The U. S. government has replied it has dispatched weather balloons which are not a danger to aircraft and that it has no control over propaganda balloons dispatched by private organizations in Western Europe.

## CHARGE THREE MEN WITH RIOT

PHILADELPHIA (P)—Three Philadelphia men were arrested at their home Monday night in connection with an incident at the Lester, Pa., plant of the Westinghouse Electric Corp. last Dec. 8.

Those taken into custody were Theodore Deckert, 48; Stephen Haynack, 32, and Gaetano DeRitis, 33, all listed as members of Local 107, Independent United Electrical Workers Union.

The warrants sworn out against them charged riot, unlawful assembly, malicious destruction of property, assault with intent to kill, and conspiracy.

The warrants, were issued on the complaint of a truck driver, William R. Main, of Ardmore, who followed him when he left the Lester plant and drove to Chester on Dec. 8.

Main charges that one of the men pushed a club through the door of his truck and another tried to pull him out.

DeRitis was arrested less than a

## York Policeman Is Injured In Tussle

YORK, Pa. (P)—A York policeman overpowered a man involved in an automobile accident Tuesday after the man ran through several homes in the west end of York.

The policeman and the man tussled for possession of the officer's pistol. Both were injured in the encounter.

Martin Luther Warner, 28, Dallastown, was taken to York Hospital with two pistol wounds in his left leg and lacerations of his abdomen. His condition was described as satisfactory.

The policeman, Pete J. Chantles, 38, also was taken to hospital with lacerations of the head and face. He was due to be discharged later in the day.

week ago on similar charges. He and four other men were seized on warrants issued by Chester Magistrate Anthony Smith, but were freed by Delaware County Judge William R. Toal on grounds they were given an illegal hearing.

The five later were re-arrested as they left the courthouse and again were held in \$2,500 bail by Smith.

## CONVICT MAN FOR KILLING 2

WESTMINSTER, Md. (P)—Ralph Phillips Bauerlien, a 25-year-old house painter who killed his estranged wife and a man who attempted to aid her, was convicted Monday night of first-degree murder.

Judge James E. Boylan Jr. said he would sentence Bauerlien at a Friday session of Carroll County Circuit Court. The convicted man faces life in prison or death.

Tried only in the slaying of his wife, Bauerlien pleaded innocent by reason of insanity.

The jury, which deliberated only 30 minutes following the day-long trial ruled Bauerlien was sane at the time of the slaying and sane now. It made no recommendation of mercy.

Mrs. Betty Elizabeth Bauerlien, 22, was killed last December 12. She was shot fifteen times with a rifle, thirteen of the bullets striking her in the chest.

Elmer Kefauver Stambaugh, 41, died of a shotgun wound in the stomach.

## News Items For Upper End

### 300 PARENTS IN UPPER COUNTY IN PTA GROUPS

More than 300 Upper Adams County parents are active in the three Parent-Teachers Associations of the Upper Adams Joint School System.

All three of the groups—Arendtsville, Bendersville and Biglerville—are associated with the national Parent-Teachers group, an affiliation that took place during the past year. Bendersville was first to join, about a year ago. Biglerville affiliated with the national group last November and the Arendtsville PTA unit affiliated as of its January meeting.

For years previously the organizations functioned without national affiliation, and joined after a study showed such union would aid the groups in their activities.

#### All Very Active

The three presidents of the groups express the active interest the membership takes in all three. Queried individually, each was of the opinion that his own group was "probably the most active PTA in the area."

And judging by results each of

the three is the most active—because all three are extremely active.

Each carries on projects for its own school. Last year the Biglerville PTA purchased a curtain for the stage in the new elementary school. This year Biglerville is planning to purchase a new piano for the school—one that can not only be used in the auditorium, but also can be moved about as needed from room to room.

#### Buy For Schools

Bendersville PTA last year purchased a loud speaker system for the all-purpose room of its school. This year's project has not as yet been decided upon. There are a number of projects that have been discussed, but no final decision has been reached.

Arendtsville PTA, which last year bought stage curtains and outdoor drinking fountains for its school, is still undecided on this year's project.

All three PTAs believe in a varied program. They meet about every six weeks to two months during the school year and programs vary from speeches, to panel discussions, to reports. Generally the youngsters present some type of entertainment as well, and the meetings are "very well attended" the officers report.

#### Dinner Big Event

Big money raising evening of the year for Arendtsville and Biglerville is the annual dinner. Biglerville held

### BIGLERVILLE RESIDENTS PAY \$47,800 TAXES

Biglerville residents paid \$47,800.65 in taxes during 1955 according to the annual report of Tax Collector John C. Brown filed with the county clerk of courts.

The 303 who paid real estate taxes and the 608 assessed for occupation or head tax turned in \$31,977.89 for the school district, \$8,410.17 for the borough, \$5,319.07 for the county and \$2,093.52 for the county institution district. The collection was made at a cost of \$1,636.80 of which \$1,452.20 represented the salary of the tax collector.

#### Many Save Discount

According to the account Biglerville residents paid swiftly, and saved money by taking advantage of the discount offered early payers. Of the \$8,578.56 sought by the borough, \$8,042.88 was paid while the discount was in effect. \$289.09 was paid during the period when taxes had to be paid at face value and only \$74.46 was paid after the penalty for late payment was imposed. At the end of the year Biglerville residents owed only 46 cents worth of real estate tax and \$7.96 in occupation taxes.

Similarly the residents for the \$32,976.82 school tax levied on them by the school board. Of that amount \$23,556.82 was based on the 35 mill real estate tax and \$9,420 on the 15 per capita tax. Biglerville residents paid \$29,697.02 of their school tax during the discount period, \$1,679.73 when the collection was at face value and \$445.76 after the penalty for late payment was levied. \$133.09 of prior year's taxes was also collected. At the end of the year there was \$127.75 still owing the schools from real estate taxation, \$420 from per capita tax, but \$345 of that total amount was exonerated by the board, leaving \$202.75 still to be collected.

#### \$111,141 Personal Property

The report on collections for the county shows Biglerville residents fairly wealthy. They owned \$111,141 worth of personal property

its dinner last Saturday and cleared \$362. A total of 465 dinners were served and much of the food was donated. Arendtsville will hold its dinner this Saturday afternoon and evening from 4 to 8 o'clock and hopes to clear several hundred dollars.

Bendersville, which did well with a dinner in prior years, has not as yet decided upon its fund raising activity. A committee is engaged in studying the type of activity to be held later this spring to raise funds for projects.

As an example of the type meetings held by the groups, Biglerville will hold its next meeting February 28. It plans a panel discussion on "Discipline" and on "How To Get Good Teachers and Keep Them." Clair Settle will be in charge of the panel. David Houck will be narrator. Among the participants will be Supervising Principal Leslie V. Stock, Rowe Martin, school director; Kenneth Alwine, businessman; William Lerew, school bus driver, and Ralph Cover, school teacher.

Ernest D. Rebert is president of the Arendtsville PTA, with Charles Bushey, vice president; Mrs. Glen Crist, secretary, and Mrs. Russell Kane, treasurer. Officers of the Bendersville PTA include the Rev. Nelson Lawver, president; Luther A. Smith, vice president; Miss Patricia Ann Martin, secretary, and Mrs. Myron Brough, treasurer. Biglerville officers include Nelson Weber, president; William Wentzel, vice president; Mrs. John Brown, secretary, and Mrs. John Lady, treasurer.

### Railroadman Takes Big Cut In Pay

NORTH PLATTE, Neb. (AP) — William L. Wood, a retired railroad man, wanted to keep his job as park commissioner after it was changed from a part-time to a full-time post. But the salary didn't suit him.

Finally, after two city council meetings, Wood got his way. He was given the appointment at \$600 a year instead of the \$4,000 the city council offered.

#### MONKEY BUSINESS

MISSOULA, Mont. (AP) — Monkey business developed on a railroad trip when a monkey escaped from its express crate. It rode the rods of a baggage car 40 miles between Missoula and Drummond. Finally cornered at the passenger station and recaptured, the monkey was sent to its mates at the U. S. Public Health Laboratory, Hamilton, Mont.

#### VETERAN LIGHT

BOSTON (AP) — The Nantucket Shoals lightship, off the coast of Massachusetts, has been operating for 122 years. The first lightship in American waters, says the National Geographic Society, was one stationed off Norfolk in 1820. Its light burned fish oil and quickly blew out in high winds.

used to influence the vote of a member of Congress. The money can be handed out in various ways. Even that may not be wrong unless bad intent can be proved.

For instance, a lobbyist may contribute to the campaign fund of a member of Congress or a political party, and the contributor may argue his only reason for doing so was because he admired the senator or representative or the party.

#### Can Become Crime

But if money is handed out to influence a vote, it becomes a crime under the Corrupt Practices Act. The intent, of course, has to be proved. There is another law, passed in 1946, which requires lobbyists around Congress to register. They're supposed to report the amount of their income to be used for lobbying.

Lobbying in this country is older than the Republic. Delegates to the first Continental Congress were stopped on their way to Philadelphia by the lobbyists of wealthy men who urged against any "dangerous" ideas about independence.

business, farmer, labor, and peace groups; research, educational, medical associations; government agencies try to get Congress to see their point of view before a bill is passed or killed.

#### White House Does It

Even the White House does lobbying when its representatives try to persuade members of Congress to the administration's point of view on a pending measure.

What, then, is wrong with lobbying? It's wrong when money is

### NOTHING WRONG WITH LOBBYING UNLESS ABUSED

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—Now that the Senate appears ready to investigate lobbying — it remains to be seen how thorough a job is done — these background questions arise: Who's a lobbyist? What is lobbying? What's wrong with it?

When an individual or a group urges members of Congress to vote one way or the other on a piece of legislation, that is lobbying. Some groups hire individuals or whole staffs to do lobbying for them. These are professional lobbyists.

There's nothing wrong with lobbying. It's a right guaranteed by the Constitution whose first amendment says: "Congress shall make no law . . . abridging . . . the right of the people . . . to petition the government for a redress of grievances."

#### Can Be Help

In fact, paid lobbyists can be of a lot of help to Congress when it is trying to learn the facts about a piece of legislation in order to decide how to vote on it.

The lobbyist know their particular field and can testify fully why the bill will help or hurt their side. The lobbyists on the opposite side do the same.

There are all kinds of lobbies:

### Collect \$39,456.83 In Hamiltonban Twp.

Hamiltonban Twp. residents paid \$39,456.83 in taxes during 1955 according to the annual report of Tax Collector G. Luther Reeve, Fairfield R. 1.

The 772 owners of real estate and 966 assessed for occupation tax paid \$3,861.24 on the five mill township tax, \$27,874.47 on the 30 mill, \$10 per capita school tax, \$5,424.24 county tax and \$2,296.88 institution district tax. Outstanding taxes at the end of the year totalled \$2,906.26. The collection was made at a cost of \$1,983.38.

Traditionally generously supported Scouting.

#### First In County

The first Boy Scouts in the county were in the Upper Adams area, with the late O. H. Benson, then in the Guernsey area, establishing a Lone Scout unit which met frequently at his home.

Twenty-five years ago when the Gettysburg district was formed and extended out into other parts of the county, Upper Adams communities were represented by Lone Scouts.

Boy Scout troops have been part of the Upper Adams scene for years. Samuel A. Ehlman, Biglerville Scoutmaster, this month was feted on the occasion of the 10th year in Scouting. He has been described by Scout leaders as among the outstanding Scoutmasters in the county. Charles Trump, Gardner's, has been another who has praised by Scout leaders for years of service to Scouting.

This year the Black Walnut district drive hopes to raise sufficient funds to permit engaging a full-time Scout field executive. Presently it shares a field executive with Conewago District.

Crawford W. Long was the first doctor to use ether as an anesthetic in surgery, say medical historians.

### UPPER ADAMS SCOUTS CONDUCT FUND CAMPAIGN

The annual drive for funds for Boy Scouting in the upper end of the county is now underway.

Harold Ecker, general chairman of the campaign committee for the Black Walnut District, announced today that Donald Bosserman is the Biglerville area chairman, Purcell Bohrer Jr., Arendtsville area chairman and Wilmer Stoner, Orrtanna area.

Elmer Trump, previously named as chairman for the Gardner-Ida-ville area, announced the following solicitors: George E. Motter, Harvey Emlet, Alfred Delp and Ralph Starnier.

Additional solicitors are to be named within a few days to conduct the campaign throughout the Upper Adams area.

Campaign officials said they were certain of a good response from the Upper Communities, which have

taxed by the county, in addition to the real estate and occupation tax. That \$111,141 represents stocks, bonds and mortgages, etc. of certain types owned by Biglerville residents and in a way indicates that the holdings of the residents are far more than that amount, because many more stocks, etc. are exempt than are taxable under the county levy.

Of the \$5,426.38 county levy, \$5,106.92 was paid during the discount period. Outstanding at the end of the year was \$4.85, which was exonerated. Similarly \$2,003.06 of the \$2,135.06 institution district levy was paid while the discount was in effect. Outstanding in institution district tax at the end of the year was \$1.37, which was exonerated.

# Business Expects Peak Year but Watches for Slowdown

## Political Lineups Prepared

The American voter is in for an almost continuous dose of politics in 1956 with two of the big questions posed at the outset:

1—Will President Eisenhower seek a second term despite his September heart attack?

2—What will Congress do with the politically potent farm problem?

Answers to these questions could have an important influence on the outcome of the November elections.

Should Eisenhower get a complete recovery sign from his doctors and decide to seek another term, it would solve a lot of GOP problems and raise hopes of a Republican victory.

Should he bow out, a scramble for the nomination will be on. Democrats claim publicly they can win against any Republican next fall. Privately, they con-

cede Eisenhower still would be the hardest to beat.

When Eisenhower will announce his intentions is uncertain. Predictions range from late January to sometime in March.

Democrats will nominate their ticket in Chicago the week of Aug. 13. Republicans choose their candidates a week later in San Francisco.

Congress, which meets in January, has half a dozen important items left from the 1955 session. One is whether to continue the Republican-backed flexible price support farm program or return to the Democratic high rigid price props.

The administration has promised a new farm program built around flexible supports. Democrats, who carried the Midwest farm states in 1948 but lost them in 1952, will push their own measure. They are making the farm question their top issue.

The 1956 session of the 84th Congress will have two programs to work on, one by Eisenhower and a 13-point program prepared by Sen. Lyndon Johnson of Texas, majority floor leader. The latter includes a proposal for income tax cut for low income groups.

... D. Harold Oliver

## Farm Problem Major Question in 1956 Vote

The new year may be one in which the nation makes vital decisions for its economically ailing agriculture.

Smartering under five years of declining prices and incomes, many farmers and political leaders are demanding that the government develop more effective programs to stabilize agriculture.

These demands will lead Congress to consider new farm legislation and in all probability make farm problems a major issue in this year's presidential and congressional elections.

Debate over the issue is most likely to turn on the question of whether or not the government should play a greater role than ever before in regulating and controlling farm production, marketing and prices.

The Eisenhower administration has taken the position that government controls should be reduced to a minimum and that agriculture should have a maximum of freedom in determining its course.

On the other hand, many farm policy critics—which include some Republicans as well as Democrats—contend that the government must take a greater role in agriculture at least until war-inspired overproduction can be adjusted to peacetime demand if farming is to be kept out of a bankruptcy that could bring on a national depression.

This controversy over the government's proper role could affect the future of the GOP farm chief, Secretary of Agriculture Benson. Demands were made last year by some farm groups and political leaders for his removal, but President Eisenhower stood firmly back of his cabinet officer.

Unless Congress directs the use of large-scale production payments or other subsidies to boost farm returns, it is likely that barring an international emergency—agriculture income will drop 10 percent last year to put returns more than 25 percent below post-war peak.

Given favorable weather and other production factors, it appears likely that farm production this year will be as large, if not larger than last year's record volume. Increased use of machinery, better seeds, more fertilizers and the like are making it possible for farmers to produce more and more on the same number of acres.

On the other hand, there is little

## Atom Power to Begin Payoff

Major research developments in the quest for economic industrial power from the atom can be expected among the science highlights of the coming year.

The Atomic Energy Commission says that during 1956 it will be getting into the pay-off area toward the objective of determining when, and by what specific means, atomic fuel can be made generally competitive with power fuels from conventional sources.

### More Reactors

During the year, says the AEC, "test operation" will begin for three out of a total of five different types of experimental "reactors"—or "atomic furnaces"—which the commission says theoretically "look promising" for pointing the way to economic power.

The commission says these reactors, and other test types to follow them, will begin to give major answers to questions about operating and other costs—in information which will be necessary before the commission can make any forecasts about when competitive atomic power can be realized.

### Geophysical Year

Among other expected science highlights of the year:

1. Perfection of plans by the

United States and some 40 other nations for the International Geophysical Year in 1957-58 when history's greatest study of the earth, her oceans and the atmosphere above her will be made.

Among other things, developmental work on the United States' man-made satellites—planned for orbiting at heights from 200 to 800 miles above the earth—will be completed.

2. New findings about the inner structure of the atomic nucleus—research into which was further sparked recently by the discovery of a new sub-atomic particle, the antiproton.

3. Intensification of projects

designed to study the effects of atomic radiation on man's health and environment.

### Medical Hopes

In the fields of surgery and medicine, these are among possibilities for 1956:

1. Development of a surgical technique for replacing sections of diseased coronary arteries, or "unplugging" such arteries that are clogged up.

2. Further improvements in the already highly successful Salk polio vaccine. Also, a stepped-up research attack in the whole field of virus diseases.

The U. S. Public Health Service recently revealed hopes to have the Army test an experimental vaccine recently developed by the service against three of the dozen or more so-called "APC" viruses which can cause a gripe type of respiratory infection. The researchers stress, however, that the APC viruses constitute only one group among many viruses which can cause cold-type illnesses.

### New Research

3. New information about the cause of cerebral palsy—information which may develop from an intensified research attack to be spearheaded by the government.

4. Broader use of the relatively new tranquilizing drugs—chlorpromazine and reserpine—as aids in the treatment of certain forms of mental illness.

... Frank Carey

## Record Home and Auto Building May Slacken

Business will move into new high ground in 1956—order backlogs are high enough to assure that.

It may well be America's first 400 billion dollar year. The total tally on goods and services was approaching that annual rate as 1955 bowed out.

And most businessmen are betting that the first half of the new year will see higher sales, a little higher prices, higher wages, more jobs, more business.

But the first half of the new year won't outweigh the gains they see as sure in the months just ahead. They expect the final tally for 1956 as a whole at least to equal, and perhaps top, record-setting 1955.

Slowdowns—if they come—may start first in home building and possibly later in auto sales. These were pace setters in 1955. A drop in home building is expected, but credit will probably be manipulated to keep it light. How long Americans will keep on buying cars at a record rate is any one's guess. The year starts with people already in hock for a record 14 billion dollars on the cars they are driving.

Consumers who added to their debts in 1955 at a faster rate than they increased their hoard of savings, are the chief unknown quantity in the economic equation. If they turn around and pay off present debts instead of buying more things on time, and start saving more and plunging less, a lot of the starch would be taken out of the business boom.

Chief offsetting factors are general business optimism and long-term planning. Numerous corporations have announced expansion programs. They say they'll pour out more than 33 billion dollars for new plant and equipment, a sizable gain over 1955. Business also was on an inventory build-up tack as the old year waned.

Government expenditure should be up a little—any drop in federal spending to be more than offset by increased shelling out at the state and local level. Given sustained consumer spending, the economy should find the increase in business and government spending making up for any slowdown in home building and auto sales.

Business hopes for continued consumer spending are built on these factors:

1. Expectation that the anticipated increase in prices of manufactured goods will be too small to arouse resistance—especially if food prices hold stable as now seems likely.

2. Increased personal income from higher wages, full employment, and probably from tax cuts.

3. New products or better products which businessmen say they'll have to dangle before the shoppers.

4. The present American tendency to live it up now and leave the future to pension plans and a paternalistic government.

## World's 10-Year Hangover Plagues Foreign Affairs

The world will not have to work up a hangover New Year's Eve in order to start 1956 with a headache.

A 10-year accumulation of headaches will be ever-present, and some may be added.

The cold war promises to become worse, with an economically strengthened Russia competing more actively for the minds of peoples. Hot war is not to be expected, unless it should develop through outbreaks in such spots as the Middle East or the Formosa Strait.

### Changing Policy

Britain and the United States will have to revamp policy to meet the threat.

The West German situation will remain in something of a balance. Rising nationalism will threaten her unity with the West, but she will get started on rearmament to even up with Russian efforts in East Germany.

As French political instability continues, the United States and Britain will assume more and more responsibility for Western policy, without resort to totalitarianism.

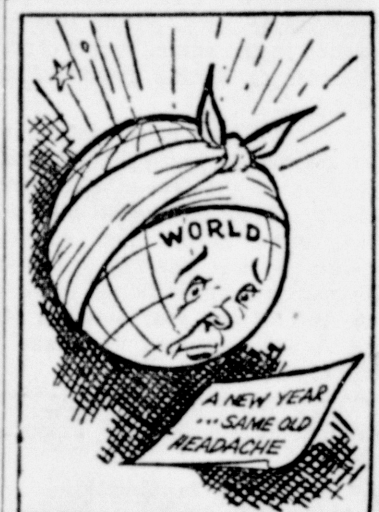

### Peace Pressure

War in the Middle East will be avoided, but only because of continuous Allied pressure on Egypt and Israel.

The campaign of submerged peoples for a place in the sun will be intensified. European countries which still seek to maintain colonial or semi-colonial operations will find their positions gradually deteriorating. Indonesia, Burma, India, and North Africa will move farther away from the West, and will not return until they have gained some maturity and lost some fear. Russia will be working these fields with every effort to make Communist hay.

There will be a good bit of marking time in Allied circles while the United States decides who shall be the next president. As long as her officials are handicapped by politics in making controversial decisions, so long there will be no firm leadership of the free world.

... J. M. Roberts

## Church Membership Heads Toward Record

Church membership figures for the United States will pass the 100-million mark in 1956.

With the proportion of the population having religious affiliation steadily increasing, this increase will be projected more sharply into other spheres particularly the schools.

Already a ferment has developed over the extent of American religious illiteracy, stemming from the blackout of religious education in the public schools.

This problem seems bound to come under intensified scrutiny in the months ahead, as the various faiths confront their own educational limitations, the rising parental demand for religious training, and the sensitive bounds separating religion and state institutions.

In a similar category, the struggle of America's heterogeneous religious bodies to find a more positive, mutually helpful accommodation with each other is likely to continue.

Throughout the year, research and regional meetings sponsored by the National Council of Churches will diagnose inter-church relationships, the studies culminating in a continent-wide conference on unity in 1957.

This kind of thing is symptomatic of an insistent urge toward spiritual fellowship that crosses denominational and national borders in these days of atomic nerves.

The World Council of Churches, with its Protestant-Orthodox ties and its hospitable inclination toward the Roman Catholic Church, is one of the products of the mood.

The movement may even reach into Russia soon. Qualified overtures have been made to the Russian Orthodox church. The tentative, scouting excursions a few American churches made this past year into Russia are apt to

become a two-way flow of official delegations in 1956.

At home, with the Federal courts striking at racial segregation in state institutions, the churches will be striving to keep up in their own domain.

So far, the Roman Catholic Church, with its unified authority, has been the most tightlipped in cracking down on segregation, as evidenced by Bishop Waters in North Carolina and Archbishop Rummel in Louisiana.

By its nature, the Catholic Church seems to be taking the lead in this field, so far as concrete steps are concerned, which may have profound influences on colored people.

But others also are at work. The northern Presbyterian church has declared on "operation desegregation" for 1956. Methodists, at their quadrennial assembly, will debate anew the retention of a separate Negro division within the church.

Northern Presbyterians will vote on ratification of a plan to permit ordination of women. The same question is to come up before the Central Conference of American Rabbis.

## Armed Services Face Worldwide Trouble

The U.S. armed forces face a 1956 step-up in the world war between the Reds and the free West and a continuing cutback in U.S. armed strength.

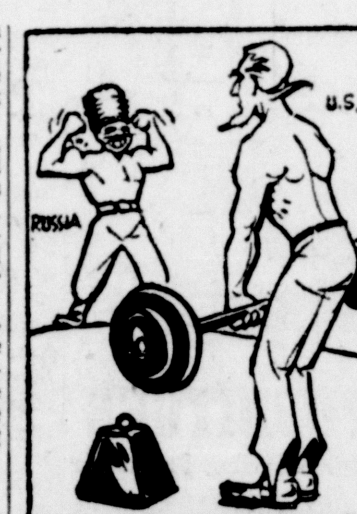

At the Department of Defense, economy still is the watchword as the administration strives manfully to balance the budget. In all probability defense spending in the next fiscal year will be about the same as this year—around 35 billion dollars.

Sen. Richard B. Russell (D-Ga.) chairman of the Senate Armed Forces Committee, already has served notice that he is going to question whether the U.S. defense posture is being weakened.

### Strength Cut

The Pentagon is going ahead with plans to cut ground troop strength from 20 to 19 divisions and to slow procurement of fighter aircraft while stepping up guided missile research.

The Communists remain busy fomenting trouble and lighting brush fires which easily could flame into small wars. In the Middle East Communist arms were en route to Egypt late in 1955, and some French weapons were being delivered to Israel.

Growing antagonisms threaten the stability of western defense alliances stretching from Pakistan to Turkey.

The Russians have tried to stir up trouble between Pakistan and India over the fate of Kashmir. In Burma, the Russians have fanned the old fires of anticommunism into what they hope is anti-Westernism.

In Viet Nam the Communists

continue to build up armed strength while clamping a stranglehold on the populace.

There were disturbing reports at year's end that the Chinese Communists still were conducting a buildup of land and air forces opposite the disputed offshore islands of Quemoy and Matsu and the Formosa headquarters of the Chinese Nationalists.

### Red Planes Watched

The Air Force is confronted by the fact that Russia now has about 1,000 more planes than the United States. The United States insists, however, that this quantity is offset by American quality.

The Navy, now operating about 1,150 ships, takes a dim view of the fact that Russia now has about 400 submarines—a startling figure when you consider the future to pension plans and a paternalistic government.

The strategic planners also are confronted by the fact that in November, somewhere in Siberia, the Russians exploded a thermo-nuclear weapon with a potential rated at millions of tons of TNT, perhaps 20 million.

## More and Bigger Shows Promised in 1956

### Movies

The movie industry looks forward to 1956 with less trepidation than has marked previous years. The film business appears to have leveled off.

Most producers have agreed that the attraction's the thing. No longer will the public go to see just any film. As Samuel Goldwyn has pointed out, people no longer have the "movie habit." They must be attracted away from their TV sets by pictures that seem important because of their spectacle, dramatic or other values.

This means that there will be more big pictures along the lines of "Oklahoma!" "Guys and Dolls." "The 10 Commandments." There will also be strong dramas drawn from the best plays, books and TV scripts.

... Bob Thomas

### Theater

Although an ambitious season of 121 new plays and musicals is tentatively scheduled for 1956, the live theater is harassed by scarcity of playhouses. Opening with Alfred Lunt and Lynn Fontanne in "The Great Sebastians," the Broadway New Year move-

on to several British and Irish plays, some with London casts. The Theater Guild has six new plays, also a musical by Lindsay and Crouse. Thornton Wilder will have a new drama, "Life in the Sun." Tallulah Bankhead will be present in a new "Ziegfeld Follies" and Ina Claire will return in a new play, "The Second Monkey." Bert Lahr will appear with Tom Ewell in an all-male serious drama, "Waiting for Godot."

... Mark Barron

### Radio-TV

Next year in television will see a trend toward longer programming. The growing number of 90 minute shows now on the air will result in shows of 90 minutes and two hours and longer being commonplace in 1956.

This trend, set by NBC and CBS, is expected to be followed by the third of the big three networks—ABC. In part it's inspired by the networks' bitter opposition to pay-see TV, a question on which the Federal Communications Commission is expected to rule within the next six months.

It's probable that 1956 will see an even greater increase in TV color programming, especially on the part of NBC—which increased its color greatly in 1955.

## Youth, 20, Nears End Of 4th Year Of His "Living Death"

By IRVING ISRAEL  
Written for The AP  
DEMING, N. M. (AP) — Jimmy Smith, 20, is nearing the end of his fourth year of "living death."

Once a strapping high school student, he has been in a complete coma since March 30, 1952.

On that day he suffered a severe brain injury in an auto accident. Except for reflex automatic movements, he has not moved his head, legs or arms since.

Doctors here say he is now in one of the longest complete comas in history.

**Strange Case**  
His case is also considered one of the strangest. Other people have been in long comas, but their functions have been maintained on higher levels. They can often see or move.

All Jimmy's thoughts and actions have been erased. He is fed water and nourishment just like a plant.

Brain specialists throughout the nation have not been able to offer any hope or suggestion for a cure. No doctor knows how long he can go on.

The Jimmy Smith story began here when his car turned over on him.

**Was Near Death**  
He was taken to the hospital practically dead. For more than 48 hours it was a question whether he would live.

Surgeons found the cerebral cortex shattered, with the brain stem automatically sustaining life.

He is in "excellent health" despite his paralysis, and feels none of the emotions of pleasure, anger or hunger.

**Lives On Baby Food**  
Once an angular, blond youth of 16, at 20 he's a baby-faced brunette with the appearance of a 10-year-old.

Milk is the main part of his diet. In addition, he is fed baby meats, baby vegetables, soft drinks, beer and water.

He suffers no mental pains. Jabbing him with a medical needle only results in basic reflex actions as commonly seen in experimental animals that have had their brains severed.

**Moved To Hospital**  
It was only a few weeks ago that Jimmy's mother agreed to have him moved to the hospital.

For more than 3½ years, she and three special nurses cared for him at the Ben Smith home.

She had crowded everything else out of her life and kept a constant vigil on him. She is still not reconciled to the hospital change. She visits the hospital at all hours of the day and night to see him.

## Modern G. W. Cuts Other Trees Too

ZANESVILLE, Ohio (AP)—Police today were looking for a modern day George Washington. John F. Quinlan reported that a cherry tree was chopped down in his backyard. However, police said the culprit didn't stop there—he also cut down an elm tree and apple tree in the same neighborhood.

## News Briefs

PHILADELPHIA (AP)—Mrs. Arvid A. Pamp of suburban Wyndmoor, a former schoolmate of Grace Kelly, will be a bridesmaid at the screen actress' April wedding to Prince Rainier III of Monaco.

Mrs. Pamp, the former Marie Frisby, said Tuesday she received a telephone call from Grace in Hollywood about two weeks ago inviting her to the wedding. About a week later she got another call asking her to be bridesmaid.

TOKYO (AP)—U. S. evangelist Billy Graham Tuesday prayed for Ichiro Hatoyama, Christian prime minister of Japan, and later preached the gospel to thousands of Japanese and Americans.

Police estimated 15,000 persons jammed the International Indoor Stadium to sing hymns and hear Graham warn that "the world will blow itself out of existence" unless it bridges a gulf of sin between God and man.

FARMINGDALE, N. Y. (AP)—Strike turbulence spread to a second plant of the Republic Aviation Corp. Tuesday, leading to the arrest of 11 more pickets for pushing, shoving and fighting.

Trouble broke out for the first time at a smaller company plant at Port Washington, Long Island, which employs some 2,000 persons.

**PICKETS SWAMP PLANT AGAIN**  
FARMINGDALE, N. Y. (AP)—A jeering, fist-flailing crowd of pickets scuffled with non-striking Republic Aviation Corp. main plant.

Police arrested four of an estimated 200 pickets and charged them with disorderly conduct.

Several pickets were reported bruised in the tussle and one was taken to a nearby hospital with undetermined injuries.

A number of nonstriking personnel slipped through the picket lines and entered the plant.

Some 638 others arrived on two Long Island railroad trains and entered the plant without interference.

## SAY KECK MADE BIG DONATION TO IKE GROUP

WASHINGTON (AP)—Senate investigators were reported today to have found indications that oil man Howard B. Keck made his biggest political contribution in recent years to the national Citizens for Eisenhower Committee.

The personal checks and bank records of Keck, president of the Superior Oil Co. of California, have been subpoenaed by a special Senate committee in its inquiry into a \$2,500 campaign contribution offered by Superior attorneys to Sen. Francis Case (R-SD).

Case rejected the contribution on the grounds he suspected it was offered to influence his vote on the natural gas bill. He voted against the measure, designed to free natural gas producers from direct federal controls.

**Would Have Broad Powers**  
President Eisenhower vetoed the bill last Friday, citing "arrogant" tactics he said were employed in its behalf by a small segment of the oil and gas industry.

As an outgrowth of widespread accusations that pressure tactics were employed by both sides in the gas bill fight, Democratic and Republican Senate leaders have agreed to set up a special eight-member special investigating committee.

It would have broad powers to inquire into campaign contributions, lobbying and any improper or illegal influence, and would be directed to make specific recommendations for new legislation by next Jan. 1.

A source close to the special committee looking into the Case incident said an examination of checks and records indicated "several" campaign gifts by Keck, a supporter of the gas bill.

**Look For "Pattern"**  
This source, who asked not to be named, said the largest was for the national Citizens for Eisenhower Committee. The committee worked for Eisenhower's election in 1952. It recently has been revived.

Chairman George (D-Ga.) of the special committee said in an interview he hadn't personally examined Keck's checks and records and didn't know what they showed.

He said his committee would be interested only to the extent of "determining if there was any pattern of contributions made by Keck."

The Senate yesterday extended the life of George's committee from March 1 until March 10. George announced it will probably wind up public hearings next Tuesday.

ence, inasmuch as the station for the plant is on Republic property. Some company activities were resumed shortly afterward, including test flying of all aircraft produced for the government.

Republic had suggested that employees could take trains of the Long Island Rail Road to gain entrance to the property without interference from the picket lines.

The company had asserted its intervention last night to keep its plants open despite outbreaks of violence.

# SENATE HOLDS LITTLE HOPE ON TAX BILL; TO VOTE NEXT WEEK

HARRISBURG (AP) — Senate Republicans today offered little hope for a 360 million dollar bipartisan income-sales tax compromise now in their hands after surviving a tough test in the House.

"I think it's going to be a choice of either the income tax or the sales tax," said Senate Republican Leader Mahany. "It won't be both."

He told a newsman a showdown will be sought in the Senate next week on the tax program that barely passed the House late yesterday. The Senate GOP consistently has favored a sales tax.

**12 Republicans Help**  
The voting saw House Republicans provide 12 votes to aid Democrats in passing the 2 per cent personal net income tax, 110-88. The minimum needed to pass a bill is 106.

Democrats supplied 44 votes in giving the GOP assistance in approving a 2 per cent sales tax on selected subjects, principally luxuries and durable goods, 122-72. Only a last-minute maneuver prevented the defeat of the companion to the sales tax—a 2 per cent gross receipts levy on the sale of meals and drinks in restaurants, taprooms and clubs and on lodging by hotels and motels.

Twelve Democrats and three Republicans changed their votes from no to yes when it appeared that this GOP-sponsored bill would fail. The final roll call on it was 108-90. The vote switch came about after House Democratic Leader Reading announced the possibility of a post-midnight session, ostensibly to act on the bill again.

Passage of the tax compromise increased to more than a billion dollars the amount of new and increased taxes passed by the House in a vain effort to solve the commonwealth's tax dilemma.

The Senate already has defeated

the classified income tax manufacturers' excise levy and a 3 per cent sales tax during the 14-month fiscal deadlock.

**Readinger Smiling**  
Readinger, a study in disappointment two weeks ago when the tax compromise was shelved, was wreathed in smiles yesterday.

"I'm happy the program passed with all the votes from both sides," he said. "I think it's the best program we can get at this session."

His triumphant smiles were in contrast to tears of disappointment on Feb. 9.

It was then House Republicans withdrew their support from the tax package on grounds Readinger failed to obtain Gov. Leader's promise he would actually sign the package.

**Smith Voted "No"**  
The governor reversed himself the next day and Readinger started work again on the program.

House Republican Leader Smith who sat in with Readinger in drafting the compromise, voted against the 210 million dollar income tax although going along with the sales tax phases designed to raise 150 million.

Smith was excused by the GOP caucus from turning in for the income tax, apparently because he is the Republican organization candidate for auditor general.

**Congratulates Readinger**  
His running-mate for state treasurer, Rep. Kent (R-Crawford), and Rep. Bower (R-Northumberland) were two other GOP members of the bipartisan committee who did the same as Smith.

Rep. Johnson (R-McKean) and three of the four Democratic members of the drafting committee voted right down the line for all parts of the compromise. The exception was Rep. Kolankiewicz (D-Phila.) who voted against the sales tax.

Immediately after the roll call, Smith congratulated Readinger. "That was really a swell job," Smith said.

Afterwards, he told the newsman the words were intended for Readinger's role in what he said was "whipping the Democrats" into line.

**FIELDING IMPROVES**  
CINCINNATI (AP) — National Leaguers were better fielders in 1955. The 1,135 errors made by the eight teams in the circuit are going on record as the fewest ever made in a season.

**GOOD-SIZED QUINSET**  
SANTA CLARA, Calif. (AP) — Bob Peierick's Santa Clara basketball team is fairly well fixed in height. His starting five includes Rich Montgomery (6 feet 7), John Boudreau (6-5), Dick Harrison (6-5), Gary Gillmor (6-0) and Danny Ball (5-11).

# HUMPHREY HAS "NO IDEA" ON IKE'S 2ND TERM

THOMASVILLE, Ga. (AP) — Secretary of the Treasury Humphrey, after seven days in seclusion with President Eisenhower, says he has "no idea" whether the chief executive will bid for re-election.

Humphrey, one of the President's trusted advisers, says further that he and Eisenhower did not even discuss the big question during the first week of their quail hunting visit at the Cabinet officer's plantation home here.

Humphrey just about flabbergasted newsmen with those remarks as he left by plane for Washington last night from Spence air base at nearby Moultrie, Ga. He was en route to the capital for a few hours at his office this morning, before going on to New York for a speaking engagement tonight.

**Returns Tomorrow**  
Humphrey plans to fly back to Thomasville tomorrow to resume his role as host to the President. Eisenhower intends to return to Washington Saturday.

The President traveled here a week ago today to build his health in the warm sun and quite likely decide—in the light of his Sept. 24 heart attack—whether to seek a second term.

Eisenhower had said in advance he was going to talk over the matter with trusted advisers after his arrival here. White House Press Secretary James C. Hagerty told reporters in response to questions that Humphrey certainly could be listed as a trusted adviser.

An hour and a half before Humphrey took off for Washington last night, he and Eisenhower concluded another day of hunting. Eisenhower bagged 11 birds and Humphrey brought down eight.

# Entertain Shut-ins By Tape Recordings

HOLYOKE, Mass. (AP) — Thomas A. Mortimer, president of the International Wrestlers' Sportsmen's Club, says the organization has 3,616 members. The group includes wrestlers, promoters, sports writers and radio and television announcers. Members pay no dues and meetings are held through the mail. One of the purposes of the club is to furnish entertainment through tape recordings for veterans and patients in hospitals.

Nick George of West Palm Beach, Fla., is vice president.

# Littlestown

LITTLESTOWN — A covered dish supper will be held in connection with the February meeting of the Starr Bible Class of St. Paul's Lutheran Church in the church social hall on Thursday evening at 6:30 o'clock. Class members and their guests are invited to attend. The members are asked to provide table service. Hostesses will be Mrs. Holman L. Sell, Mrs. Arthur E. Bair Sr. and Mrs. George Crabbs.

Mrs. George Trump and Mrs. Lloyd Spangler will be in charge of the program at the meeting of the Ladies' Aid Society of St. John's Lutheran Church on Thursday at 7:30 p.m. in the church social hall. Mrs. Spangler, Mrs. Trump and Mrs. Earl Brumgard will serve refreshments.

The Degree Team Association of the Ancient Order Knights of the Mystic Chain, Littlestown Castle No. 31 will confer three degrees on a class of candidates following the regular business session on Thursday at 7 o'clock.

Election of officers will take place at the meeting of Explorer Post 84 on Thursday evening, 7 o'clock, in the Explorer Scout room of the E. King St. school.

Miss Evelyn K. Reaver, N. Queen St., will be hostess to the Sunshine Class of Grace Lutheran Church for the monthly meeting at 7:30 p.m. Thursday.

Ocker-Snyder Post No. 321, American Legion will hold its semi-monthly meeting at the post home, on E. King St. at 8 p.m. on Thursday.

Praise and prayer service will be held in the Assembly of God Church at 7:30 p.m. tomorrow.

Mr. and Mrs. Clarence Fredlund, Logan St., Harrisburg, announce the birth of a son, Sunday, at Polyclinic Hospital, Harrisburg. Mrs. Fredlund is the former Elaine Stavelly, daughter of Mr. and Mrs. Lloyd L. Stavelly, Crouse Park.

Donald Z. Mann, Charles E. Ritter and Preston L. Myers, of town, returned home on Tuesday from Cincinnati, O., where they were attending a national shoe manufacturers annual convention since Saturday.

# Shorties, Rompers Are Still In Vogue

**THE ASSOCIATED PRESS**  
Snooze news for the high school, college and career girl set grows briefer and briefer. Even some of the young-marrieds are going in for shorties and rompers, either tailored and boyish or feminine and frilly. Currently popular are lacy little romper-style pajamas in pastel nylon tricot and brief gowns in nylon sheers, cut on flapper styles, with permanently pleated frills and black lace edging. Less gamor-conscious college girls like the Bermuda-shorts-and-shirt style pajamas in washable no-iron cotton flannel or men's shirting fabrics.

India plans to apply irrigation to an additional 20 million acres in the next five years.

# FIRE AUXILIARY HOLDS MEETING

The Ladies' Auxiliary to the Kingsdale Fire Company met on Monday evening in the engine house. Mrs. William J. Lippy gave the invocation. Plans were made to serve a banquet to the Rotary Club on Tuesday, March 13, at the engine house. The group made preliminary arrangements to have a banquet for Auxiliary members and their families in connection with the April meeting. Reports were heard from Mrs. Glenn Lippy, assistant secretary, and Mrs. Lester Myers, treasurer. Entertainment and the serving of refreshments was in charge of Mrs. Lester Myers, Mrs. Fred Gerick and Mrs. Joel Mummet. Two games were won by Mrs. Walter Sheely and Mrs. Claude Gerick.

Mrs. Samuel Snyder, Mrs. Anna Bair and Mrs. Ernest Baumgardner comprise the hostess committee for the next meeting on Monday, March 19.

**Class Holds Meeting**  
The Hustlers' Class of Redeemer's Evangelical and Reformed Church held its monthly meeting on Monday evening, in the church social hall, with 14 members and two visitors in attendance. The program was in charge of Mrs. Kenneth Hartsock, and was as follows: Call to worship, Mrs. Hartsock; group song, "Dear Lord and Father of Mankind," accompanied by Miss Malva Duttera; scripture, Mrs. Glenn S. Kaufman Jr.; prayer, Mrs. William I. Straley; vocal solo, "He," Mrs. Gene A. Hankey, accompanied by Miss

Gerrie Roberts; reading, "The Growth of Lincoln's Faith," Mrs. William Straley; group song, "Fairest Lord Jesus."

Routine business was conducted in charge of the president, Mrs. William Straley. Mrs. Kaufman, secretary and Mrs. George C. DeJoff, treasurer, reported. The guess package, contributed by Miss Helen Myers, was received by Mrs. Clement A. Sneringer. Group games were enjoyed and the meeting concluded with the Lord's Prayer in unison. Refreshments were served by Mrs. Hartsock, Mrs. Kaufman and Mrs. Straley.

The class will meet again on Monday, March 19, at the church, and the hostesses will be Mrs. Robert Myers, Mrs. Melvin Shambrook and Mrs. Arthur Straley.

Mrs. Porter W. Seiwel, Maple Ave., president of the Women's Guild of the Mercersburg Synod, attended a leaders' meeting of the Evangelical and Reformed Churches and the Congregational Christian Churches, held on Saturday and Sunday at the E and R Theological Seminary, Lancaster. Presidents of the Synodical Guilds of Pennsylvania and the Churchmen's Brotherhoods of the Evangelical and Reformed Churches, along with these respective groups of the Congregational Christian Churches of this area, held the "get acquainted" sessions in preparation for the proposed merger of these two churches.

# Republican Voters—

Let's Not Be Misled by

# UNTRUTHS

in the 1956 19th Pennsylvania District Congressional Primary Campaign

The most recent entry in the free-for-all battle for the 19th District Congressional nomination claims the "full endorsement" of the G. O. P. organization of Adams County. He does not have such support. Adams County Chairman John Basehore has stated publicly that this candidate's claim to "full endorsement" by the organization he heads is a "misstatement of facts."

As the first of the Republican hopefuls to announce, I am planning a positive, aggressive and clean campaign, in which there will be no let-up until November 7th, by which time we hope the Nineteenth district seat will be returned to the party of President Eisenhower.

I have felt for some time that the people of the district, rather than a few party leaders, will choose the nominees, and the elected representative. After all, a primary is conducted under our two party system to give the rank and file of the party, ALL of the people, a voice in the choice of a standard bearer in November. Consequently, I am vitally concerned about published statements which can be misinterpreted by the electors. The people—not the bosses—should decide this election.

Yours for responsive representation,

*John B. Stutzman*

## Keep Names Of Pets For Safety

DOTHAN, Ala. (AP) — Employees of the city light department are trying this approach to the problem of dogs biting meter readers: Alongside the names of householders in their meter books they are writing the names of the family pets.

Now, if a dog jumps them they can call him by name. If it doesn't keep him off they'll at least know which one bit them.

### BURGLARY WHOLESALER

FOSTERBURG, Ill. (AP) — Gabriel's store is a favorite spot for burglars. Deputy Sheriff Paul Turner says the last entry was the second within a week and the fourth within a year. Loot included 80 cartons of cigarettes, some shotgun shells and some change from the cash register.

# REPUBLICANS OF ADAMS COUNTY CONGRATULATIONS

Your determination to reorganize and solidify the GOP in your county is an example of patriotism and courage on the part of your leaders, that is most commendable.

This should inspire every unregistered person over twenty-one years of age to register, and every voter to vote in the coming Primary.

This is none other than the influence of "Our First Citizen" who now resides in your county. Your action will be noticed throughout the Commonwealth and should be an incentive for many counties to do likewise.

Be assured that I shall be at your service as you unselfishly lead the way and show other communities that it can be done.

### PROJECTED SOUND

HELENA, Mont. (AP) — In the municipal bandstand shell, which is like a teacup on its side, someone — at midnight — set off a charge of dynamite. In the wake of the sound wave, darkened homes were lit up by awakened citizens. Hundreds called police, who were as mystified as the callers. One said: "It about knocked me out of bed."

## Just Who Had Wrong Number

DOUGLAS, Ariz. (AP) — Mrs. Doris Sturgis is still puzzling over a telephone call she received one night.

As soon as Mrs. Sturgis picked up the phone the caller asked, "Who is this?" Mrs. Sturgis gave her name.

"Oh, you've got the wrong number," the voice at the other end said, and its owner hung up.

## Southern Packing Box Sleeper Freed

ST. PETERSBURG, Fla. (AP) — City Judge Laurence D. Childs has ruled a resident of 55 years has lived here a little too long to be considered a vagrant.

Herman Sellers, 65, was charged with vagrancy after being found sleeping in a packing box.

He explained he was locked out of his apartment by mistake. That explanation plus his long residence in St. Petersburg served to secure dismissal of the charge.

### DISAGREED DEGREES

BELLVILLE, Tex. (AP) — Frank Zeiske, editor of the Bellville Times, noticed a display of three thermometers in a store. They were side by side. One recorded the temperature at 72 degrees, one 70 and the other 68.
